## Support growing for school repair bond issue

**PROPOSED SCHOOL REPAIRS** will be the subject of a special election in Granite City Community Unit District Nine from noon to 7 p.m. Saturday. Ronald Landman, maintenance supervisor of the school system, is shown inspecting wall cracks and defects near a rear door of Coolidge Junior High School; the problem is attributed to the ground settling. There also is a crack going up the side of the window at the right.

## Venice selling land being sought for housing project

By MICK STRANGE  
of the Press-Record

The city of Venice is now advertising for bids to sell 8.94 acres of city-owned land at the intersection of Klein and Bissell streets, formerly owned by Johns-Manville, which may be the future home of a major multi-family housing project.

After a delay of well over a year and several objections by Madison taxing units, the land may now be sold for a proposed 92-unit housing complex.

Although turned down in 1979 by the U.S. Department of Housing and Urban Development (HUD), the federal agency reconsidered the plan after the Madison City Council and school district and Environmental Protection Agency (EPA) objections were withdrawn, largely through the efforts of Venice Mayor Tyrone Echols.

An EPA specialist felt the location was too near railroad tracks and the

noise of the trains would be detrimental.

Madison city and school officials withdrew objections when they learned that 90 percent or more of the occupants will come from families already residing in Madison School District 12 and would not add significantly to the financial burden of the Madison schools.

It was further noted that senior citizens will be included in the project and will occupy about 40 percent of the units to be built.

The city is assured of at least one bid from Sansone Realty Co., St. Louis, developer of the proposed multi-family housing project. The 92 units will be a private operation and will pay taxes to the city. HUD will insure the mortgage and guarantee tenants.

The developer of the project will be responsible for arranging financing for the project, City officials feel that

## Balloting this Saturday

By BILL WINTER  
of the Press-Record

A call for approval of both Granite City school election proposals Saturday was voiced today by board members and Superintendent of Schools B. J. Davis.

"We must have the \$2,900,000 bond issue to carry out badly-needed repair and renovation work at all the schools," Supt. Davis said.

"We also need a higher building fund rate limit so that we can do regular maintenance and preventive main-

tenance—and avoid getting into the same problem again regarding the condition of the school buildings."

A detailed breakdown of the proposed school repair projects is given in an editorial comment on the editorial page of today's Press-Record.

Voting will take place in the special election from noon to 7 p.m. Saturday at the 13 elementary schools in Granite City Community Unit District Nine—Emerald, Frohhardt, Johnson, Lake, Logan, Marshall, Maryville, Mitchell,

Nameoki, Niedringhaus, Parkview, Webster and Wilson.

Residents will vote at the school where the youngsters in their neighborhood are enrolled.

Proposition I on the ballot asks, "Shall the Board of Education... equip, alter and repair both of the district's two high schools, all three junior high schools, all 13 elementary schools, the pre-school and Board of Education office and improve some, or all of the school sites, and to pay the cost thereof, issue bonds of said district in the amount of \$2,900,000?"

Proposition II asks, "Shall the present maximum annual tax rate for operations, building and maintenance purposes of 375 percent of the full, fair, cash value of taxable property, as equalized or assessed by the Department of Revenue, be increased to an annual maximum rate of 475 percent of such taxable property?"

Urging affirmative votes on the two proposals are members of the School Board, administrators, principals, teachers, secretaries, custodians, cafeteria workers and other school employees, as well as parent associations, the Citizens' Advisory Council, labor groups, the Chamber of Commerce and other organizations.

No organized opposition has been reported, but the National Taxpayers Union of Illinois held a meeting in Edwardsville at which it opposed "building more schools" in Granite City.

School officials reiterated their previous announcements that no new facilities are proposed, but rather the rehabilitation of present aging schools.

Officials emphasize that the list of 112 bond issue repair projects contains only essential work and excludes all "frills."

They say a full dollar's value will be sought for every dollar expended on remodeling, replacement and modernization, and add that much of the work will lead to better school insulation and more economical use of energy and energy funds.

## Kirkpatrick delegation is promised protection ... but not speed bumps

By GARY SCHNEIDER  
of the Press-Record

A lengthy debate between several residents of Kirkpatrick Homes and Granite City aldermen at Tuesday night's city council meeting failed to sway the council in favor of speed bumps in Kirkpatrick Homes, but the aldermen ended up vowing that they will study problems in the housing project carefully and will attempt to find some answers soon.

About 20 residents of the project attended the meeting at the invitation of Alderman Charles Douglas, who represents that ward. During the discussion, most aldermen said they feel speed bumps would slow traffic in the compact housing units, but were concerned by a legal opinion from City Attorney John Papa that the city would be liable for any injuries caused by motorists or bicyclists hitting the speed bumps.

Papa said he was unable to find any case law dealing directly with city liabilities from speed bumps, but said

cities can be held responsible for street obstructions. "Yes, in my opinion, these would be obstructions in the streets," Papa told the council.

In August, the council voted against speed bumps for Kirkpatrick Homes, but instructed Papa and City Engineer Monroe Brewer to try and design a system to slow traffic safely in the housing project.

Brewer said he worked with Papa and with Douglas in trying to design relatively safe speed bumps. Papa was preparing an ordinance based upon Brewer's recommendations, but Douglas, who is an attorney, drafted his own ordinance and brought it directly to the council.

After the ordinance was read, Papa said he could not give an opinion on the ordinance. "I haven't even seen it," he stated.

Douglas' ordinance proposed installing an undetermined number of three-inch high speed bumps at locations to be determined by the street superintendent and the city engineer. The bumps would be sloped and painted with reflective paint. Warning signs would be posted at all entrances to Kirkpatrick Homes, notifying motorists that speed bumps had been installed, according to Douglas.

"We have a unique situation in Kirkpatrick Homes. There are children, small yards, about 500 families in a small area. We have got to measure the risk to the people, children and senior citizens. I think it is worth the liability risk," he contended.

Gerald Gibson, 4203 Kirkpatrick Homes, was allowed to speak on behalf of the residents and he told of speeding cars, reckless driving and high speed motorcycles in the housing project nightly.

He and other residents told of parked vehicles and persons being struck by cars and of small children narrowly avoiding being struck.

Alderman Sam Whitmer of the Second Ward said he is sympathetic to the problems of the Kirkpatrick Homes residents, but said the liabilities of the city must be considered carefully.

Whitmer recalled one injury case in which the city had to pay \$120,000 in damages. In a pending case, \$100,000 is being sought, he said. A young boy riding a motorcycle was hurt when he hit a pipe and the city had to settle for about \$800 in damages, he added.

"We have liabilities all over town and we're getting sued for them. Now we're putting in a liability on our own."

What happens when a kid on a bike

## Extra hour of sleep Sunday

It's time once again for a "spring forward and fall back" daylight saving time change. At 2 a.m. Sunday, clocks will be turned back one hour, or forward 11 hours, to end daylight time until April 1981.

## Murder of baby girl, 8 months old, is alleged

A murder charge was filed here Monday afternoon against George L. Doggett Jr., 24, of 1327 St. Clair Ave., Collinsville, on an authorization by Madison County State's Attorney Nicholas Byron.

Doggett is charged with fatally injuring an 8-month-old girl, Brandy Marie Fickinger, on Friday evening, Oct. 17, at her home, 2614 W. 20th St. He was described as the boyfriend of the infant's mother, Mrs. Lucille Fickinger, 23.

Doggett maintains that he accidentally dropped the baby, investigators say. He was questioned by Granite City police on the night of the child's death and then was taken into custody at 11 p.m. Saturday, booked for investigation of murder.

Doggett was taken before a judge at 4:45 p.m. Monday and bond was set at \$100,000 or \$10,000 cash. A mittimus was issued, and he was transferred to the Madison County Jail at 7:30 p.m. Monday.

The mother of the infant told

authorities she left Doggett and the child at her home for 20 to 30 minutes while she shopped at a store. Upon returning home, she found the baby in her crib apparently not breathing, but with the child's chest heaving, Mrs. Fickinger related.

When interrogated by police, Doggett initially said he had no idea how the child suffered bruises on her head, chest, stomach and knees. Later, the suspect told officers the child began crying in the crib. As he tried to pick her up, she fell backward from his grasp, he related.

An ambulance was summoned after the mother returned home, and the crew found the baby without signs of life.

Both artificial respiration and cardiopulmonary resuscitation were administered without success, and the infant was pronounced dead at the residence.

Graveside funeral services were held Tuesday morning at St. John's Cemetery, Granite City.

## Fatal crash at crossing

Mark E. Stewart, 25, of Fenton, Mo., was killed at 7:55 last night when the pickup truck he was driving east on Edwardsville Road collided with a slow-moving Terminal Railroad engine at the 14th Street railroad crossing.

A Granite City man in another vehicle narrowly missed being a second victim, it was learned. Mr. Stewart was trapped inside his 1964 Chevrolet pickup, which was entangled with the engine.

Granite City Fire Department's rescue workers and firefighters, under the supervision of Shift Commander Leonard Wilson, worked one hour and 27 minutes to free Mr. Stewart from the wreckage. Also called to the scene were a physician and nurse from St. Elizabeth Medical Center.

Mr. Stewart was pronounced dead at the scene.

Engineer Delmar E. Cook of St. Louis said his crew had been switching cars and the train was headed north on the first set of tracks on the south side of Edwardsville Road, pulling five tank cars at the time of the collision.

The engineer estimated the speed of the train as three to four miles per hour. He said he did not see Mr. Stewart's vehicle, but felt the impact and he brought the train to a stop within a few feet. Cook reported the lights at the crossing were flashing.

Fireman Martin Steele of Belleville said he saw an orange colored car approach the crossing from the south and swerve around the front of the

(Continued on Page 6)

**INITIATING TELE-SQUIRT.** Firefighters of the Granite City Fire Department use the Tele-Squirt, the department's newest piece of equipment, for the first time to extinguish smoldering debris Wednesday morning at 2004 E. 23rd St. The roof and interior of the home of

Richard Haynes were completely destroyed by fire. Firefighters were called out at 5:45 and remained at the scene for more than three hours. Cause of the fire has not been determined. Two additional pumps responded to the fire at the two-story frame home.

## 'Spook Carnival' at Lake School Friday

Lake School Parent-Teacher Association will host its annual "Halloween Carnival" from 6 p.m. until 9 p.m. Friday at the school.

A supper will be served during the carnival hours, featuring chili and hot dogs. Tickets for the meal cost \$1.25.

Sheila Lewis, general chairman, said areas being set up for the youngsters and parents include a sweet shop, disco, ring toss booth and cake walk, among other novelty activities.

Electronic toys, macrame

plant hangers and an afghan will be among the gifts available to patrons, Mrs. Lewis said.

### AT FORT KNOX

Private James R. Edwards, son of Mr. and Mrs. James A. Edwards of Granite City, is attending basic training at Fort Knox, Ky. During the training, students receive instruction in drill and ceremonies, weapons, map reading, military courtesy, military justice, first aid and Army history and traditions.

## Family emphasis by Reagan

Six Illinois citizens have been appointed by Republican presidential candidate Ronald Reagan to his 25-member Family Policy Advisory Board. The board will work to "lay the groundwork for a major Reagan administration effort to promote national rededication to traditional American family values."

The board "will also critique the results of the Carter White House on families," Casey said.

"In the last few years," said former Governor Reagan, "we have witnessed a disturbing decline in the strength of families and the values traditionally associated with them. Crime and alcohol and drug abuse have increased. The gap between generations seems to have widened."

"Government has intruded into the traditional relationship between parents and children in such matters as education, value formation, and health care. The laws contain an incentive for young couples not to

marry. The Internal Revenue Service has harassed private, religious-oriented schools."

"We also need to address the issue of protection of life and the rights of the born and the unborn. There are few incentives for the survival of a family in the traditional sense."

Reagan said that "in contrast to present practices, the federal government can provide the impetus to revise or eliminate regulations and practices which have had the effect of undermining the family."

He expressed dismay at the report of the Carter administration's White House Conference on Families, which made a number of recommendations. Reagan believes to be unacceptable to the majority of American Families and destructive of family values.

"The next president," he concluded, "must reverse the trend that has been established and provide leadership in support of those working to strengthen the family and our neighborhoods."

### COURSE OFFERED ON DEFENSIVE DRIVING

Mrs. Gracie Koeller, chairman of the Farm Bureau Women's Committee, has announced that a defensive driving course will be held Monday, Nov. 10, and Tuesday, Nov. 11, from 9:30 a.m. to 12:30 p.m. at the Farm Bureau building in Edwardsville. Lunch will be provided by the Farm Bureau Women's Committee.

Instructors for the eight-hour classroom-type program have been specifically trained by the National Safety Council. The course will include movies, visual aids, lectures and discussions.

### AIRCRAFT RENT AT COLLEGE INCREASES

Aircraft rental rates have been increased at Belleville Area College. The rate increases resulted from an auditor's report that aircraft rental created a \$27,000 loss for the college last year due to rising fuel costs.

Fee changes are: Cessna 150 from \$22 to \$25 per hour; Cessna 152 from \$24 to \$28 per hour; Cessna 172 from \$27 to \$31 per hour; Cessna 177 from \$40 to \$45 per hour; and Cessna 310 from \$80 to \$95 per hour.

## Meals here Friday to aid fight against Reye's Syndrome

The Southwest Illinois Reye's Syndrome Chapter will hold a benefit lunch and supper Friday, Oct. 24, from 11 a.m. to 1 p.m., and from 5 p.m. to 7:30 p.m. at Wesley Hall, Niedringhaus United Methodist Church, 26th and Delmar, Granite City.

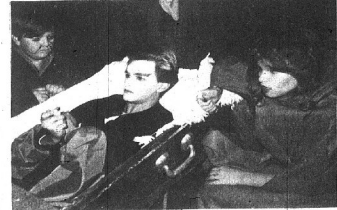

Ham and beans, cornbread, slaw, coffee, tea and sasser will be served on an "all you can eat" basis. Charge will be \$3.30 for adults and \$2 for children aged six to 12.

Tickets will be sold in advance at 288-7909 and at the door.

Reye's Syndrome is a disease that affects the liver and brain.

### IN BASIC TRAINING

Private Carroll E. Brown, son of Mr. and Mrs. Fredrick H. Brown of Granite City, is attending basic training at Fort Leonard Wood, Mo. During the training, students receive instruction in drill and ceremonies, weapons, map-reading, tactics, military courtesy, military justice, first aid, and Army history and traditions.

**WAITING FOR HALLOWEEN** and Post 102's "Haunted Hayride" are, from the left, Igor (Frank Woods Jr.) and Count and Lady Dracula (Gregg Grimaud and Debbie Smith). The "Haunted Hayride" is a 30-minute Halloween attraction. Profits go to support Explorer Post 102 projects. The cost is \$1.50 for persons 12 years and over and 75 cents for those under age 12.

**MAKEUP AND COSTUMES** highlight the Explorer Post 102 "Haunted Hayride" being presented Oct. 24, 25, 26 and 31, at 25 Kelly Drive, Arlington Heights. Blake Monical, lower left, is being made up to represent "Death." His sister and Post 102 President Laura Monical is in the middle representing a "witch," and Tracie Millard is in charge of the makeup and costumes.

## Awards and election to highlight dinner

The presentation of the District Award of Merit and the election of Uniwah (Quad-City) Boy Scout District officers will be among the highlights of the Scout recognition dinner Saturday evening.

The event will be held in the Granite City High School cafeteria, 3101 Madison Ave.

Registration will begin at 6:30 p.m. and the dinner is at 6:45 p.m. Tickets are \$5 per person and must be purchased in advance from the Boy Scout Service Center, 2016 Delmar Ave.

To receive the District Award of Merit, a volunteer adult Scout leader must have been serving youth through the Boy Scout program for no less than five consecutive years. The recipient must render service above the normal fulfillment of their leadership duties.

Several units will be recognized for their accomplishments. Five units will receive plaques for their support of the Cahokia Mound Council and designated Leadership Members: Troop 5, sponsored by the Nameoki Methodist Church; Troop 13, sponsored by St. Elizabeth Catholic Church; Troop and Explorer Post 102, sponsored by Suburban Baptist Church, and Explorer Post 184, sponsored by Madison Police Unit 110.

The National Summerline Pack Awards will go to Pack 46, sponsored by the Nameoki School PTA, Pack 109, sponsored by Lake School PTA, Pack 122, sponsored by the Wilson School PTA, and Pack 141, sponsored by Mitchell School PTA.

Boy Scout Troops to receive National Camping Awards are: Troop 4, sponsored by St. Joseph Catholic Church; Troop 13, St. Elizabeth Catholic Church; Troop 102, sponsored by Suburban Baptist Church, and Troop 146 of Hope Lutheran Church.

Norman Hall will be the master of ceremonies at the dinner.

**RALLY SATURDAY**

A co-ordinator for the Carter-Mondale campaign will be the principal speaker at the Edwardsville Township Democratic Club rally on Saturday at 8 p.m. at the Knights of Columbus Hall, Marine Road, Edwardsville. Democratic candidates, including Congressman Melvin Price, will be afforded time to speak in behalf of their candidacies. There will be refreshments, attendance prizes and entertainment.

Bob Stille at 1-656-0767 has additional information.

BELLEVILLE Open Friday Nights

## Halloween haunts opening in area

With Halloween approaching, several seasonal attractions will be opening to entertain the public with an assorted collection of "creature features."

Friday and Saturday, from 6 until 10 p.m., the Word of Life Tabernacle Church is holding a "Haunted House" at 4105 Kaseberg Lane, Pontoon Beach. It also will be open on Halloween night, Friday, Oct. 31, during the same hours.

Admission is \$1 for adults and 50 cents for children under age 12.

A novel Halloween experience is the "Haunted Hayride" being presented by Explorer Post 102. The creepy wagons will begin their regular 30-minute rides through the hallows of horror at 7 p.m. Friday and be open Saturday, Sunday and again on Halloween night.

The wagons will be loading regularly at 25 Kelly Drive, Arlington Heights. Wagon rides will not encounter any Indian attacks, but watch out for the monsters, the explorers warn. Cost of the "Haunted Hayride" is 75 cents for children under 12 and \$1.50 for those 12 and older.

The Granite City Jaycees will have a haunted house, opening Friday at 7 p.m., which will be open every evening through Halloween. The cost of this attraction is \$1 for adults and 75 cents for children under 12.

The Quad-Cities original Halloween attraction, the "Haunted Castle," 1316 Madison Ave., will open at 7 p.m. Sunday and be open every night through Halloween.

This is the ninth year members of Explorer Post 10-4 has operated a Halloween attraction. The entire set up and operation of this attraction is handled by the young men and is their major fund-raising project. Cost of the "Haunted Castle" is 50 cents for children under 12 and \$1 for ages 12 and older. Count Dracula and Dracula Jr. reportedly have flown in from Transylvania to be at the castle.

## Granite City Press-Record

# Obituaries

### Clarissa Baker

Clarissa J. Baker, 8-day old daughter of Katherine Baker, 2005 Bryan Ave., died Monday, Oct. 20, 1980, at St. Louis Children's Hospital.

The infant was born at St. Elizabeth Medical Center.

Other survivors include grand-parents, Mrs. Iona Holman, Granite City, and Leonard Baker, 89 Ann, Mo. Graveside services were conducted Wednesday, Oct. 22, at St. John Cemetery, 2901 Nameoki Road, Mercer Mortuary, 1416 Niedringhaus Ave., was in charge of arrangements.

### Helen Evanoff

Mrs. Helen (Nevenka) Evanoff, 67, of 2605 State St., was pronounced dead at home at 9:05 a.m. Monday, Oct. 20, 1980, by Randall Irwin, Madison County deputy coroner.

She was born in Gorenst Katoria, Greece, and has been a Granite City resident since 1957.

Survivors include her husband, Steve Evanoff, one daughter, Miss Marie Evanoff, Granite City, two brothers, John and George Karoly, both of Granite City.

Private funeral services were conducted by the Rev. Peter Stamboldjev at 11 a.m. Tuesday, Oct. 21, at Irwin Chapel for Funerals, 2801 Madison Ave. Burial was in Sunset Hill Cemetery, Edwardsville Township. The family request memorials be made to the Linus Pauling Institute of Science and Medicine, 2706 Sand Hill Road, Menlo Park, Calif. 94025.

### Frederick Monchamp

Frederick Monchamp, 69, of 2014 Madison Ave., Madison, died Sunday, Oct. 19, 1980, at St. Elizabeth Medical Center.

There are no known relatives. If anyone has the whereabouts of a relative of friend they are asked to call Mercer Mortuary, 1416 Niedringhaus Ave., 876-4321.

### Harold Pendleton

Dr. Harold E. Pendleton, 60, a native of Granite City, died Oct. 5, 1980, in Alexandria, Va.

Dr. Pendleton was born and reared in Granite City, attending local schools and upon completion of high school joined the United States Navy, where he served aboard destroyers and escorts through World War II, as a chief petty officer.

Dr. Pendleton graduated from University of Illinois, where he was a member of Phi Beta Kappa. He earned a master's degree in English at Harvard University and a doctorate in English and philology at University of Illinois.

He taught at University of Illinois and at the Pan American College in Texas. In the late 1950's he moved to Michigan to work in the automobile industry as a speech writer for Chrysler and Ford Motor Companies.

In 1963, Dr. Pendleton joined the American Petroleum Institute in New York as a senior speech writer and later handled their education program throughout United States. At the time of his death, Dr. Pendleton was assistant director of environmental affairs.

Survivors include his wife, Bobbie Pendleton of Sterling, Va.; a daughter, Michelle of Alexandria, Va.; four sons, Christopher of Elizabeth, N.J.; James of Springfield, Va.; Martin of Burke, Va.; and Army Specialist 4, Donald of Fort Belvoir, Va.; two sisters, Mrs. Harriet Juda of Granite City and Mrs. Dorothy Starr of Mobile, Ala., and three grandchildren.

His remains were donated to medical science.

### Theodore Schuerman

Theodore "Ted" Schuerman, 73, of DeSoto, Mo., father of Mrs. Clifford (Marilyn) Robertson of Granite City, died at 11:30 a.m. Friday, Oct. 1, 1980, at St. Mary's Hospital, Richmond Heights, Mo. He had been hospitalized for four days.

Mr. Schuerman was born in

Washington, Mo. He was employed as an engineer and draftsman for Missouri Pacific Car Shops for 48 years prior to his retirement.

He was a member of the United Church of Christ in Sedalia, Mo. Other survivors include his wife, Mrs. Helen Schuerman; two sons, Donald K. Schuerman, DeSoto, and Eugene Schuerman, Farmers Branch, Tex.; his mother, Mrs. Lydia Baley of DeSoto; 11 grandchildren and three great-grandchildren.

The Rev. John Flotron conducted funeral services Monday, Oct. 20, at the Dietrich-Mothershead Funeral Home Chapel, DeSoto, with burial in Woodlawn Cemetery, DeSoto.

### Mark Stewart

Mark Stewart, 25, of 1014 Coriander, Fenton, Mo., died at 7:55 p.m. Wednesday, Oct. 22, 1980, at the Edwardsville Road railroad crossing. Additional details appear on today's front page.

Among his survivors is his widow, Mrs. Cheryl Stewart. Arrangements are pending at Mercer Mortuary, 1416 Niedringhaus Ave. For additional information call 876-4321.

### Aldora Wilhelmy

Mrs. Aldora (Rogers) Wilhelmy, 64, of 4100 Pontoon Road, Ill. for two years, died at 5:15 p.m. Monday, Oct. 20, 1980, at St. Joseph Hospital, Highland, Ill. She had been hospitalized for one week.

Born in South Millford, Ind., Mrs. Wilhelmy had lived in this area for 20 years. She was of the Protestant faith. Survivors include her husband, Al Wilhelmy; two daughters, Mrs. Donald (Robert) Decker of Granite City, and Mrs. Edwina (Annabell) Langston of Frankfurt, Germany; a brother, Charles Rogers of Houston, Tex.; 10 grandchildren and three great-grandchildren.

Friends may call now at Irwin Chapel for Funerals, 2801 Madison Ave., where funeral services will be conducted at 10:30 a.m. Friday, Oct. 24, by the Rev. Pat Fife. Burial will be in St. John Cemetery, 2901 Nameoki Road.

## GC Bank names vice-president

William L. Patton Jr. has joined the staff of Granite City Trust and Savings Bank as vice-president. It was announced Tuesday by Ernest A. Kardanoff, chairman and president of the bank.

Patton is a graduate of Granite City High School and has a bachelor of science degree in accounting from Southern Illinois University at Edwardsville. He was formerly employed as a senior accountant for Peat,

### Former resident to be in concert

Keith Curtis, a former resident and Granite City teacher, will be among the musical artists to appear with the St. Louis Chamber Chorus and Orchestra as they open their 25th season.

Under the direction of Dr. Allen Larson the performance will be presented at 4 p.m. Sunday, Oct. 26, at the Ladue Chapel, 9450 Clayton Road, and admission is free.

Curtis is the son of Mr. and Mrs. J. W. Rainwater of Granite City. Two of his children, Robert and Kristopher also reside here and another son, Brian is serving with the U.S. Army. He is employed at Haynes Studio in Kirkwood as a voice instructor and by Central Presbyterian Church in Clayton. The former resident lives in Sappington, Mo.

### Births

Births recorded at St. Elizabeth Medical Center include:

**GIRLS**  
 Mr. and Mrs. Jesse Rinehart, 5145 Old Allon, Road, Oct. 23, Lisa Marie, eight pounds, five ounces.

**BOYS**  
 Mr. and Mrs. Mark Cronovich, East St. Louis, Oct. 20, David Michael, seven pounds.

**WILLIAM PATTON**  
 Joins GC Bank

### Benefit Ball set Saturday

The Granite City Society for Crippled Children will host its 10th annual benefit ball on Saturday, Oct. 25, at Croatian Home, 10th Street and Madison Avenue, Madison.

Bok Thomas, president of the organization announced that the dinner dance will feature music by the Silvertones. There also will be an auction of a television and antique items after the dinner, he added.

Tickets costing \$20 per couple may be purchased by calling Mercer Mortuary, 876-4321. Tickets include the cost of dinner, beer and setups.

## News notes

A public forum to explain the Illinois hazardous waste program is planned for 7:30 p.m. Nov. 13 in SIUE University Center Room 4. The discussion will include the impact that the Resource Conservation and Recovery Act will have on the existing Illinois program.

The annual installation and award banquet of the Granite City Board of Realtors is set for 6:30 p.m. Nov. 22 at Sunset Hills Country Club. Reservations are being accepted until Nov. 14 by Chris Shields, 3010 Nameoki Road.

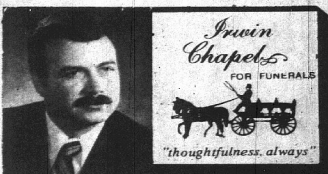

A Chicago branch of the NAACP is opposing the proposed reduction in the size of the Illinois House of Representatives, saying the cutback would reduce black representation.

### Argument ends in charge

Larry J. Burgan, 22, of 3008 W. 20th St., was charged with disorderly conduct at 7 p.m. Tuesday after the allegedly refused to leave a neighbor's apartment in the same building.

Debra Fleenor told police that Burgan threw some of her clothing into the yard and broke several household items inside the apartment before officers arrived.

Burgan allegedly refused to leave and was arrested. He was released at 11:15 p.m. Tuesday on payment of a \$35 cash bond.

## Groundbreaking Oct. 31 for IP coal gasification plant

Allis-Chalmers Corp. has increased its financial support for a \$135 million coal gasification plant, to complete funding for the project. As a result, ground will be broken on Oct. 31 for its construction, adjacent to Illinois Power Company's Wood River Generating Station near-East Alton, Ill.

David C. Scott, chairman, chief executive officer and president of Allis-Chalmers, said that final approval for the go-ahead has been given by the steering committee representing Allis-Chalmers, the state of Illinois and 12 utilities that have pledged their support to the program over the next five years.

"Allis-Chalmers increased its financial support of the project from \$40 million to about \$80 million," Scott said. "This completes the project's requirements and permits construction to begin."

Other funds for the project are being made available by the state of Illinois, which has confirmed an \$18 million grant, electric utilities and other interested parties. The \$135 million projected plant cost includes the first two years of operation.

The KILGAS system is designed to produce clean low-BTU (British Thermal Units) gas from high sulfur coal. The gas can be used as fuel for electric power generation and large industrial plants. Anticipating successful operation of the Wood River plant in 1983, Allis-Chalmers expects to build large scale KILGAS systems capable of processing 4,000 to 5,000 tons of coal per day into clean fuel for electric power generating plants.

The Wood River gasification plant is designed to process 600 tons of high sulfur Illinois coal per day and to produce fuel serving an existing 50-megawatt generating unit there. The

total budget of \$135 million includes both the plant and 1983-84 operation with two types of coal from which data will be obtained. However, the plant is planned to be used for various additional purposes for at least 10 years.

Allis-Chalmers and its utility participants recently completed a three-year, \$11 million basic engineering program and a two-year (overlapping) \$6.7 million applied engineering program. These programs, including the operation of a 60-ton per day pilot plant and have laid the groundwork for the modular coal-to-gas production plant. Participating with Allis-Chalmers as major subcontractors are Gilbert-Commonwealth, Reading,

Pa., as the architect and engineer, and J. A. Jones, Charlotte, N.C., as the construction manager.

Utilities which have pledged support to the Wood River project are: Baltimore Gas and Electric, Baltimore, Md.; Central Illinois Light Company, Peoria; Consumers Power Company, Jackson, Mich.; Illinois Power Company, Decatur; Iowa Power, Des Moines; Monongahela Power Company, Fairmont, W. Va.; The Ohio Edison Company, Akron, Ohio; The Potomac Edison Company, Hagerstown, Md.; Public Service Indiana, Plainfield, Ind.; Public Service Company of Oklahoma, Tulsa; Union Electric Co., St. Louis; and West Penn Power Company, Greensburg, Pa.

### Dr. Watt to speak Sunday

The Nameok Presbyterian Church will open its "Festival of Missions" with a men's breakfast at 8 a.m., Sunday, Oct. 26th.

Dr. Charles Watt, assistant director of Health, Education, and Social Justice will be the guest speaker according to the pastor, the Rev. Don F. Pierson. The men of the congregation are urged to bring guests for this time of fellowship. Dr. Watt will also be the guest of the college and adult coffee hour at 9:30 a.m.

Dr. Watt, former Associate Presbytery Executive for Community Aging, Service and Healing for the St. Louis area, will be the guest minister at the 10:45 a.m. worship service. He will be sharing some of the ministries that are provided through the "One Great Hour of Sharing" and "The Whit Gift Christmas Offering."

A family night potluck dinner at 6 p.m. will feature a travel and mission film entitled "The Presbyterian Family Album." Special music will be provided by Mark Dacus, a graduate in music Illinois Wesleyan University and now entering the ministry of Campus Crusade for Christ at Carbondale.

"God on Our Street" will mark the continuation of the current series of messages from the Sermon on the Mount on Sunday, Nov. 2nd. The series will conclude on Nov. 9 with "Dragons and Discipleship."

An invitation is extended to those in our community looking for a new church home, the pastor added. The Sunday School begins at 9:30 a.m. with morning worship at 10:45 a.m.

## BOOK REVIEW

**HALLOWEEN FUN NIGHT** preparations being completed by students of Maryville School, from left, Ronnie and Angie O'Shea, Shardon and Steven Crider. The event will be Friday, Oct. 17, from 7 to 9:30 p.m. in the school. Photographs will be taken during the evening at a cost of \$3.50. Games, a cake walk and Country Store is also featured.

## JFK dance in Madison Nov. 2

Christ Costoff, chairman of the Madison County Democratic Central Committee, announced today that the Annual John F. Kennedy Memorial Dance will be held on the evening of Sunday, Nov. 2, beginning at 7 p.m. at St. Mary's Engelbert Hall, 10th Street and Washington Avenue, Madison.

Hors d'oeuvres will be served at 7, and there will be music for dancing, furnished by Joey James and his orchestra.

Many state officials as well as local and county officeholders will be present. Among those expected is Secretary of State Alan Dixon, nominee for U.S. senator.

Tickets may be acquired by contacting the county Democratic chairman or by phoning the secretary-treasurer, Sam Wolf, at 877-2345 or contacting him at 1806 Johnson Road, Granite City. Cost per ticket is \$25.

**CHARGE THEFT**

Henry Rupinski, 22, of 1920 Elizabeth St., Madison, was arrested at home at 9 p.m. Tuesday on a warrant charging him with theft. The charge resulted from an alleged gasoline stealing incident the previous night in which a Winfield, Mo., man was arrested at a Granite City Steel construction site at 20th Street and Sherman Avenue, and charged with theft and criminal trespass to property.

**Chouteau meeting Tuesday on aid for sewer taps**

Chouteau Township officials have called a special meeting for Tuesday evening at 7 for the township's senior citizens and handicapped to discuss assistance the township is offering

qualifying residents in linking their home sewer lines to the new county sanitary sewers. Requirements to qualify for assistance will be explained and officials will attempt to explain sewer hook-up requirements, timetable and to answer questions related to the sewer program. Supervisor Walter "Dick" Sparks has invited representatives from the county's special sewer committee, Juneau Associates (engineers of the sewers), the county's community development office and others to attend the meeting and help answer questions those who attend may have.

Sparks encouraged only those who believe they may qualify for aid in paying the cost of sewer hookups to attend the meeting. "This is a meeting to explain the assistance we are offering the low income and handicapped, not to have complaints of arguments about the sewer program. We want to help the senior citizens, low income and handicapped in Chouteau Township, so we hope everyone will come with the attitude this meeting will be for the real benefit of the people," Sparks said.

Income maximums in the program are \$8,450 for a family of one; \$9,675 for a family of two; \$10,875 for a family of three; \$12,100 for four; \$13,325 for five; \$13,775 for six and \$14,500 for a family of seven. If you are a homeowner living in your own home and fit within these household income guidelines, it is very important that you attend this meeting or contact the township afterwards, if you are unable to attend," Sparks explained.

"I turned down people around Jack-in-the-Box who wanted speed bumps. If we put them in Kirkpatrick Homes, what am I going to tell these people?" Modrusic said.

A roll call vote showed only four aldermen voting in favor of the speed bumps and seven voting against. Voting

in favor were Aldermen Douglas, Paul Fisk, Warren Decatur and Lloyd Bailey. Absent were Aldermen Earl Baker, Paul Ray Bowler and Mrs. Margaret Nomm.

After the vote was taken, the delegation from Kirkpatrick Homes got up to leave and one woman yelled, "We

engine, but he did not see Mr. Stewart's truck.

The Granite City man who was driving the orange colored car told police that he and Mr. Stewart were going to the International Mill Service Inc. at 22nd Street and Edwardsville Road when the accident occurred.

He didn't see any signal lights at the crossing, he said, but he heard the train whistle and swerved his vehicle to avoid the engine, which missed his auto by about "a foot."

A Granite City Steel security officer said the crossing lights were activated and the train horn was blowing at the time. An eastbound motorist reported the orange colored car and truck ap-

**Speed bumps**

can say 'no' too—on election day."

Mayor Paul Schuler assured the residents that the council will give considerable attention in the next few weeks to the plight of residents of Kirkpatrick Homes. "Something will be done, I assure you," Schuler stated.

He saw the orange car swerve to avoid the train and said the driver of the pickup applied his brakes and skidded into the path of the engine.

Available details concerning Mr. Stewart's funeral may be found on the obituary page.

**Madison police clear 23 cases in single arrest**

With the arrest Tuesday at 1 p.m. at Edwardsville Road and McCambridge Avenue of Anthony Joseph Turner, 21, who has resided at various times in the 1400 block of Seventh St., Madison, the Madison Police Department has cleared 23 cases, 19 burglaries and four aggravated batteries, it was announced today by Madison Chief of Police Donald L. Bridick.

Turner was arrested on aggravated battery charge by Madison police and a hold order from the St. Louis Police, who allege he shot at a St. Louis officer during a robbery attempt.

At 11:45 a.m. Wednesday, Turner appeared before Circuit Judge Victor Moselle and was arraigned on the Madison warrant and a Missouri warrant alleging he is a fugitive from justice from the state of Missouri for allegedly fleeing from Missouri to avoid prosecution and bond jumping on robbery charges.

The court, at the request of Madison County State Attorney and the Madison police, ordered the Madison cases dismissed with leave to reinstate, after Missouri charges are disposed of. Turner then waived his right to extradition and was

remanded to the custody of the St. Louis Police Department to pursue their prosecution and complete their investigation on numerous cases.

At 12:50 p.m. Tuesday, Madison police were informed by St. Louis police that Turner was wanted on a warrant charging him with second degree robbery during which shots were fired at a police officer, six St. Louis city burglary warrants and may be questioned in connection with approximately 50 other St. Louis burglaries.

St. Louis police advised Madison that all of the alleged burglaries were doorknob twist entries and that channel lock plyers were used. Acting on information obtained Madison police set up a surveillance on Monday which led to the arrest.

On Tuesday, Chief Bridick questioned Turner in reference to recent Madison burglaries and Turner allegedly admitted to committing several. He was then driven around Madison and he allegedly pointed out houses he had burglarized and described how he gained entry.

On Wednesday, Turner again was questioned, driven around town and, during the ride, allegedly admitted to several more burglaries.

The aggravated battery charge stems from a fight in September in the Shanty 66 tavern, where four men were struck with a pool cue.

only what we absolutely need," Superintendent of Schools John Palchiff responded. "We certainly will not be able to begin any new programs or expand any of the existing ones, for a time."

Palchiff added, "School Board President Sam Dymas said, 'At this time I cannot really make a comment until we study the budget. We will, of course, be hurting for a time. We will just have to tighten our belts a bit.'"

He said that one or all of these things could end the stay-in-removal of Wissore, meaningful resumption of negotiations or a settlement of the contract.

**BAC teachers stage overnight 'sit-in'**

In a "job action," described as a "stay-in," the cafeteria at Belleville Area College was occupied last night by 80 faculty members, vowing to remain until the board "get serious" about negotiations.

Classes continue uninterrupted and food service has not been curtailed. Wednesday afternoon, 96 of the 128 full-time faculty members voted unanimously to demand the removal of Dr. Bruce Wissore, interim president, and appointment of "another personage to the post."

Donald Libby, chief negotiator for the faculty, said that one or all of these things could end the stay-in-removal of Wissore, meaningful resumption of negotiations or a settlement of the contract.

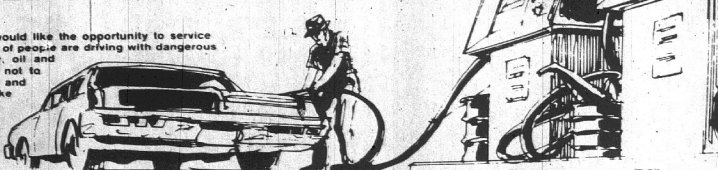

STEAL TRUCK, CAMPER  
 John Weller, 2008 Nameoki Road, reported at 4:05 p.m. Monday that his 1972 Chevrolet El Camino with an orange and white camper shell was stolen from East 23rd and Charles streets. The vehicle was equipped with a CB radio, tape deck and antenna, he said.

## File additional charges after jail term imposed

Kenneth A. Crone, 17, of 1932 Benton St., is facing charges of armed violence, aggravated battery and aggravated assault from two separate incidents as a result of an investigation completed this week by Granite City detectives.

Crone also was charged with not having a firearm owner's identification card (FOID) when arrested at his home at 7:30 p.m. Monday.

Police were called to the Benton Street address in response to a disturbance involving Crone, who allegedly had a weapon and was threatening a family member.

Crone allegedly was found hiding beneath the front porch of the house with live .38-caliber ammunition in a pocket of his clothing and he was charged for not having a FOID card. A warrant alleging aggravated assault from an earlier incident also was served on him.

A gun noticed by officers on a shelf in the dining room at the time of the arrest was confiscated.

The aggravated assault charge stemmed from an incident, occurring Oct. 16, in which Crone allegedly went to an address in the 2400 block of Grand Avenue, where a girl he knew was babysitting. Crone allegedly pushed the girl around and attempted to choke her, then

he pointed a six-shot revolver at her and said, "If you call the pigs, I'll shoot you."

Crone was taken before a judge at 2:35 p.m. Tuesday. He pleaded guilty to the two charges and was sentenced to serve 180 days in the Madison County Jail.

Before he was transported to the county facility, two new warrants were issued against Crone for armed violence and aggravated battery. He appeared before a judge Wednesday morning and bond was set on the new charges at \$50,000.

The latter charges evolved from an incident on Sept. 6 when Paul Mikolaszuk, 16, of 2144 Adams St., sustained a gunshot pellet in the left eye and a pellet in the abdomen.

The youth was walking in the 2100 block of Edison Avenue, near a church parking lot at 22nd Street and Edison Avenue when he suffered the wounds.

Mikolaszuk had the pellet removed from the abdomen at St. Elizabeth Medical Center and had surgery for removal of the pellet lodged in the left eye at Cardinal Glennon Hospital, St. Louis.

COUNT DRACULA RETURNS

## Count Dracula and Dracula Jr. return

Count Dracula and his son, Dracula Jr., will again take up residence at the "Haunted Castle," 1316 Madison Ave.

The infamous residents of Transylvania will be receiving visitors from 7 p.m. until 9 p.m. daily from this Sunday through Halloween night, Friday, Oct. 31.

The "dignitaries" are again the guest of Explorer Post 10-4 which originally brought them to the Quad-Cities nine years ago.

Tickets to visit the castle are \$1 for persons 12 years of age and over. Under 12 the admission is 50 cents. The proceeds are used to help finance Explorer Post 10-4 activities.

Dracula is close to Fletcher Land and his son is reported to be a friend of Explorer Lonnie Smith.

Other "spooktacular" guest at the "Haunted Castle" will be the Frankenstein monster (John Buhman) and his clone, the wildman (Mark Pasley), the bodiless man (Mike Smith), the Phantom of the Opera (Willie Smith) and the executioner (Mickey Topal).

A graveyard ghost (Jeff Crisel), a hanging man (John Reed), and a headless man (Morris Ricketts) also are living in the castle. Dr.

## Deadline Monday for fitness class applicants

Women's and senior citizen fitness classes are scheduled to begin new sessions the week of Nov. 3.

Ellen Wilson teaches senior citizen fitness classes which emphasize flexibility and muscle toning. Classes meet on Mondays and Thursdays from 9 to 10 a.m. at the YMCA, and from 10:15 to 11 a.m. at the Anchorage Recreation Center. The Y class costs \$4 per month. There is no charge for the Anchorage class.

Lee Suarez and Nancy Halvachs teach swim-nastics, exercise in the pool, with open swim included. One class meets on Mondays and Wednesdays from 9 to 9:45 a.m. and another is on Tuesdays and Thursdays from 9 to 9:45 a.m. The cost is \$2 per four-week session for Y members, and \$12 for non-members.

A swim-exercise class for senior citizens also meets on Friday mornings from 9 to 10. The cost is \$2 per month.

Noon fitness and yoga is taught by Ellen Wilson on Mondays, Tuesdays and Thursdays from noon to 12:45. This class also costs \$2 for Y members, and \$12 for non-members.

Registration fees for all classes must be paid at the Y or by mail by Monday. Additional information is available from Lucy Tueth at the Y, 876-7200.

## Church of God revival opens

A fall revival will open Sunday at the Church of God, 1205 W. Pontoon Road, featuring evangelists, the Rev. and Mrs. Michael Starrick of Georgia.

The evangelists will present the 6:30 p.m. service Sunday and from Monday through Friday they will conduct special services at 7:30 each evening.

Mrs. Starrick is an accomplished musician and will lead the singing with her husband and church chorals groups participating, according to the Rev. O. J. Cloninger, host pastor, who extends an invitation to the public to attend.

**WARRANT SERVED**  
Three charges of contempt of court for failure to appear were listed on a warrant served at 8:30 p.m. Tuesday on Quinn Sexton, 18, of 2711 Warren Ave., who was arrested at Plaza Billiards, 2420 Nameoki Road.

**NEW FACES** in the advertising department of the Press-Record include Al Barnes Jr., right, who will join the staff as a salesman Monday, and Mick Warford, left, who was promoted yesterday from salesman to advertising manager. Warford replaces Vince Saputo, who accepted the advertising manager's position at the Southern Illinoisian in Carbondale.

(Press-Record Photo by Mick Savage)

## New advertising posts for Warford, Barnes

Mick Warford, 30, of 3340 Colgate Drive, was promoted to advertising manager of the Press-Record yesterday by General Manager Paul Halbert.

Warford replaces Vince Saputo of Collinsville, who is leaving to accept the position of advertising manager for the Southern Illinoisian in Carbondale, Ill.

Halbert also announced the hiring of Al Barnes Jr., 44, Edwardsville, as a new advertising salesman for the Press-Record. Barnes has been affiliated with the Press-Record since 1978 as a consultant and doing advertising promotions for the newspaper's printing division. He will begin his duties Monday.

Saputo, who has been with the Press-Record since 1972, has been advertising manager for two and one-half years. He was honored with a cake Tuesday, which was his birthday.

Warford was first employed by the Press-Record in 1962 and has been effective in working with the newspaper and with the real estate community. He left the newspaper business to work full time in real estate and was with Kaege Real Estate for six years and was manager of the office for Ira Berry before returning to newspaper work two and one-half years ago.

Warford was born in Mattoon, Ill., and resided in Neoga, Ill., and Phoenix, Ariz., before moving here while in the fifth grade. He graduated from Granite City High School and has attended classes at Southern Illinois University at Edwardsville and Lewis & Clark Community College.

He also served in the U.S. Air Force from 1958 to 1962, before first joining the Press-Record.

He and his wife, Phyllis, have two children, Dawn, 13, and Scott, 10.

Al Barnes Jr., who is not

related to Press-Record Editor Harry Barnes, was born in Cairo, Ill., and attended schools in Cairo, Ill., and St. Louis, before graduating from Collinsville High School. He has taken courses in advertising and sales promotion at Washington University and St. Louis University after high school graduation.

He had 25 years of experience in the grocery business, 24 of them with the advertising department of Tri-City Grocery, rising to the position of vice-president of the firm, which operated 22 supermarkets in the greater St. Louis area, including the Quad-City area.

He also has 23 years of experience in preparing special promotions, games, displays and advertising packages and has successfully handled more than 16 new store openings.

Barnes has served on the boards of directors of numerous organizations and has been active in the Tri-Cities Area Chamber of Commerce, the YMCA,

Associated Retailers, the Boy Scouts, the United Fund, Paddler's Swim Club and the Jaycees, in which he held every elected office over a period of time.

Currently, Barnes is co-owner of Super Print at 2011 State Street.

He and his wife, Marcella, have four children, Peggy Warren of Granite City, Debby Gwinup of West Palm Beach, Fla., and Kathy and Becky Barnes, both at home.

"We are very pleased to have Al join our advertising staff and I feel that having him will be a real boon to us and to the services we can offer our advertisers," Halbert commented.

He added, "While we are sorry to lose Vince Saputo, I am sure Mick Warford will do an outstanding job heading our advertising department and providing our customers the best possible service, keeping the Press-Record the newspaper which gives the most exposure for each advertising dollar."

## Girl, 16, cut with knife

Granite City police are continuing to investigate a report of the cutting of a 16-year-old Madison girl, who was interviewed at St. Elizabeth Medical Center at 2:55 a.m. Wednesday.

The girl said she had left friends at 27th Street and Washington Avenue and was walking toward an alley between Washington and Iowa Street when a heavyset blonde woman about 5 feet, 7 inches tall began cursing her and flourishing a large open pocket knife.

The woman knocked her down and cut her on both arms, before she had a chance to get away, the girl said. She ran to the home of a friend in the 2100 block of E. 24th Street and was taken to

the medical center by a neighbor.

The girl suffered superficial cuts and scratches to her left arm and six cuts about seven inches long to the inside of her right forearm.

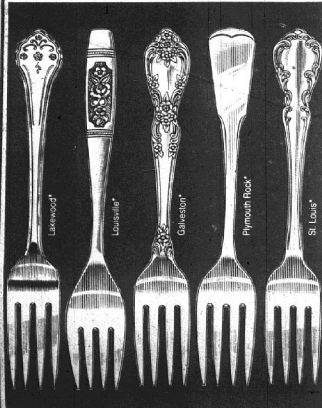

Police were called to a tavern in the vicinity of the incident a short time earlier in response to a call that a girl had been cut on the arm, but the victim and others possibly involved had left, authorities said.

## Sheriff praises 2 judges

Sheriff Emil Toffant of Madison County yesterday announced his endorsement of Judge Victor J. Mosele and Judge John L. DeLaurenti for retention as circuit judges in the Third Circuit.

"Since becoming sheriff, I have had the privilege of getting to know these two fine judges who are a tremendous asset to law enforcement," he said.

"Frequently we have had to call on them at late hours and weekends for such things as search warrants, and they have always made themselves available."

"Judge Mosele is the presiding criminal judge in Madison County and has sentenced many of the criminals that the sheriff's department has had cases against."

The sentences he has handed down were fair and even-handed.

"He is tough on career criminals and violent offenders, and yet he has compassion and an abiding interest in rehabilitation of youth offenders."

Toffant continued, "Judge DeLaurenti, who sits in both Madison and Bond counties, was a former state's attorney and is now a law-and-order judge. I served with him when he was with the Southwestern Illinois Law Enforcement Commission and got to know him well."

The two judges are seeking retention in the Nov. 4 election.

## Attorney rules raises illegal

By MICK STRANGE  
of the Press-Record

In the legal opinion of Venice City Attorney Larry Hartman, it was illegal for the city council to vote to reduce their compensation (for expenses) while in office.

The opinion was given at the Tuesday evening Venice City Council meeting. The exact amount the city will owe the mayor, aldermen, city treasurer, comptroller and some appointed officers will be about \$10,000, officials said.

Venice Mayor Tyrone Echols commented, "This is unfortunate, but we must do things legally. When we voted to cut our expense money, we did not know we were breaking the law. The aldermen and I knew the city had financial problems and we were trying to help out by the voluntary cut in expenses."

Echols cut his expenses as mayor by \$125 a month in May, 1979, and the aldermen and other elected officials decreased their expense allowances by \$50 a month each.

In other business, the Madison County Community Development program for home rehabilitation came under verbal attack by the Venice council and mayor.

## Continue GC student lung survey

The Granite City Board of Education on Tuesday night authorized Stephen K. Hall, Ph.D., chemistry department of Southern Illinois University at Edwardsville, to repeat spirometric testing for those high school students previously tested in local schools (board approval given on Oct. 16, 1979).

In addition, he will test all freshmen and any other interested persons.

The testing will be a voluntary program, with parental approval, and the school administration will structure the organization of the testing.

Dr. Hall, associate professor of chemistry and an active faculty participant in the multidisciplinary Environmental Studies Program at SIUE, has a five-year grant to research the health effects of respirable particulates.

Since 1975, Dr. Hall has been the SIUE director of the six-city Harvard University Air Quality and Lung Health Study. The Harvard Study measures the effects of low levels of air pollution on the pulmonary function development of school children.

In the Granite City school lung survey, both St. Elizabeth Medical Center and SIUE are participating with voluntary authorization by students in the South and North high schools for spirometric testing of lung functions.

The students are interviewed, answer a standard health screening also including individual smoking habits. All data is kept confidential.

Results from the survey will be compared with similar data from other communities.

As a result of the study, it is expected that the effects of respirable particulates on pulmonary health in general and the incidence of pulmonary diseases — as well as the degree of pulmonary function impairment will be established.

## Assault with knife alleged

Neal A. Rappis, 37, of 2320 Elm Ave., was arrested at home at 10:05 p.m. Tuesday and was charged with aggravated assault following an incident involving his former wife.

Mrs. Janice P. Rappis alleged her ex-husband followed her from Tri-Mor Bowl, refused to let her get into her car and continued to follow her as she walked toward the Taco Bell Restaurant.

At that point, the woman said, Rappis placed a hunting knife to her throat and threatened to kill her. He then told her to get into his truck and drive to a Namekiki Road tavern, while he drove her car.

Instead of driving to the lounge, Mrs. Rappis drove to the police station.

## Blast furnace fired up today

Granite City Steel blast furnace "A" was fired up at 6:20 a.m. today.

The blast furnace had been shut down for several months for relining. The immediate effect will be the recalling of about 150 employees for the blast furnace and the BOF steel making shop, a spokesman for the plant said.

## Sign contract

In a joint statement yesterday, Granite City Steel and International Chemical Workers Local 50 reported the formal signing last week of a new three-year contract covering employees of the Blast Furnace and related facilities. The effective date of the agreement is Oct. 1. The union represents about 939 workers, 27 percent of the company's hourly work force.

Terry Seabolt, vice-president of industrial relations at GC Steel, and Tom Grady, business agent for Local 50, in a joint statement said that all issues had been resolved earlier and that the agreement has been formally signed between the parties. The lengthy negotiations were conducted in an atmosphere in which both sides took into consideration the current state of the economy in the steel industry, they said.

Grady, who headed local 50's bargaining team, commented, "Although some compromises were made, we feel we made positive gains for our members, and at the same time did not hurt the competitive position of Granite City Steel."

Seabolt commented, "I would like to commend the attitude of the negotiators on both sides in a difficult period. We see some improvement in steel order levels and are hopeful this trend will continue. This week's Blast Furnace is being returned to operation after a long shutdown for relining, resulting in a recall of a significant number of employees represented by the Chemical Workers Union."

The economic sections of the agreement were generally in line with other settlements in the steel industry and with other Union groups at Granite City Steel. Previous agreements have been signed with the United Steelworkers of America, the Bricklayers, Blockmasons and the two plant security locals.

## Charge man in tavern burglary

Walter E. Baehler, 26, of 2436 (rear) E. 24th St., was charged with burglary in an information document issued Monday by the Madison County state's attorney's office.

Baehler was apprehended inside Hoppe's Tavern, 2807 Edwardsville Road, at 4 a.m. Monday, after police surrounded the building, it is alleged.

He appeared before a judge at 4:45 p.m. Monday and bond was set at \$5,000.

A mittimus was issued and Baehler was released to Madison County sheriff deputies at 9:25 p.m. Monday for transfer to the county jail.

**MRS. ALICE KING, 82, DIES TODAY**  
Mrs. Alice King, 82, widow of former Granite City Fire Chief Elijah King, died at 8:30 a.m. today, Oct. 23, 1980, at The Colonades. Arrangements are pending at Davis Funeral Home, 21st Street and Cleveland Boulevard. Call 877-0120.

**VAN BURGLARY**  
A portable spotlight in a case and a pair of speakers were stolen from the van of Mark Papp, 3877 Roney Drive, while the vehicle was parked at August and Edwards streets, he reported at 12:20 a.m. Tuesday.

### Mitchell School family portrait project Saturday

Family portrait day will be on Saturday, Oct. 25, at Mitchell School, arranged by the Parents and Teachers Association, Mrs. Lillian Singer, PTA president announces.

She added the 11x14 color portraits are available at a cost of \$5 and for more information those interested are advised to call her at 797-8860 or call the principal at the school.

Other projects discussed include the Mitchell School Library book fair scheduled for Oct. 28 through Nov. 4. Prices of books will range from 50 cents to \$3, it was noted.

Girl Scout Troop 581 presented the flag ceremony at the October session and guest speaker was B. J. Davis, superintendent of schools. He presented slides of major needs in the school system and discussed the forthcoming bond issue.

Members of the Mitchell Volunteer Fire Department attended the meeting and spoke on Fire Prevention Week.

Mrs. Singer presided over the session and reported Alfred Fuller and Ronald Goldsmith, both Mitchell teachers, will attend a convention in Chicago for the Illinois State Council for the Gifted on Oct. 27, 28, and 29. The annual Halloween parade at the school will be at 1 p.m. on Oct. 31 and the Madison County Sheriff Dept. and Mitchell Volunteer Firemen will assist with the parade.

Mrs. Singer also noted the students are encouraged to vote on Oct. 24 for the Illinois State animal of their choice. The next PTA meeting will be conducted on Nov. 13 at the school.

**CAMPER TRUCK GONE**  
A dark blue 1980 Silverado pickup truck with a matching camper shell was stolen from a parking lot at 16th Street and Madison Avenue, Fred Fox, 2577 Lynch Ave., owner of the vehicle, reported at 4:15 p.m. Tuesday.

**RECOVERS TRUCK**  
A white over red pickup truck reported stolen at 8 a.m. Tuesday from the home of William Shable, 3941 Wayne Ave., was recovered by the owner at Lake School at 10:15 a.m. Tuesday. The vehicle had a flat tire and the ignition keys were missing.

### Special 'open house' services scheduled

"Open House Mission" is the name which Concordia Lutheran Church, 23rd Street at Grand Avenue, is giving to four special services, beginning Sunday morning.

"We want ourselves to be reminded of the sweetness of the Gospel and to let our neighbors and community see that the Gospel in the Lutheran Church is both sweet and powerful," said Pastor Arvin Twietmeyer of Concordia as he explained the purposes of the services, the first on Sunday morning, and then each following evening, Sunday through Tuesday at 7:30.

"Every worship service in a Christian church," he continued, "is, or course, open to all who will come in, but for these three services we are trying to say very loudly, 'Our House is open to all.' Informality will characterize these services and a social hour with refreshments will follow each, he explained.

The guest missioner and evangelist for these "open houses" will be the Rev. LeRoy Paul of St. Luke's, St. Louis. Pastor Paul brings a deep concern for parish renewal and outreach, concerns nourished by five years as missionary in the Philippines upon his graduation from Concordia Seminary, Springfield, in 1962, a campus pastorate and parish pastorates in Nebraska, Michigan and Missouri. He has been at St. Luke's for the past five years.

"We invited this man to come to us," commented Rev. Twietmeyer, "because we saw in him a pastor who believed that God is moving in a sovereign way upon churches today to raise up dedicated men and women to bring new life and commitment to traditional churches and enable them to reach out to troubled communities.

"He feels that many Christians have a strong foundation faith, but lack the power to witness effectively to a dying world. Rev. Paul

is persuaded that time is extremely short to fulfill the commission of the Lord of the church to make disciples."

Concordia is one of 75 Lutheran Churches in Southern Illinois which are "celebrating" open house on these three days. "We want our community to see the power and joy of our Lord's Gospel in a Lutheran pulpit," Rev. Twietmeyer said.

The general theme for his four sermons will be "The Power of the Gospel."

**MRS. MYRTLE BRUNS ENTERTAINS CLUB**  
Mrs. Myrtle Bruns was hostess to the Monday Afternoon Club, in her home 2549 Washington Ave., this week.

Those winning prizes in the card games were Grace Hennrich, Leona Parente, Marvel Clover and Theresa Walkenbach.

A desert luncheon was served by the hostess to those named and to Belle Kreherer, a guest, Agnes Garin and Marie Perry. Mrs. Clover will host the next gathering.

### Chouteau Township plans yule party

Chouteau Township trustees, meeting Monday night, made tentative plans for the township's annual "Santa Breakfast," which is open to residents of Chouteau Township and is scheduled for Dec. 13 at the township hall.

Supervisor Walter "Dick" Sparks announced a meeting for all senior citizens, handicapped persons and low income home owners living within the new sewer area will be held at 7 p.m. on Tuesday, Oct. 23, at the township hall.

The administrators also agreed to provide \$300 for expenses to each elected township official who plans to attend a convention Nov. 9 to 12 in Springfield, Ill.

A letter from the Madison County Zoning Board was read by Sparks, noting zoning violations have been received by the zoning board, which will in turn notify the residents to take care of the problems. Several violations relate to trash accumulating in various areas, unlicensed vehicles and unsanitary conditions at some locations in the township.

All bills submitted were approved and payments are to be made by the treasurer.

### Endicotts to mark 37th anniversary

Mr. and Mrs. Alfred Endicott, 1419 Third St., Madison, will celebrate the 37th anniversary of their marriage Saturday, Oct. 25. The event will be observed with a party at the home of a daughter, Mrs. Connie Land,

1517 Second St., Madison. Mr. Endicott and his wife, the former Helen Miller, were married on Oct. 25, 1943, in St. Charles, Mo. They have resided in Madison for the past nine years, having previously lived in the St. Louis area. The Endicotts are the parents of 12 children, 22 grandchildren and one great-grandchild.

Their children are Randy and Alfred Endicott Jr., Darlene Raines and Mrs. Land, all of Madison, Terry, Dennis and Rickie Endicott, all of Granite City, Tina Warren of Venice, Pat Faulkner of Sandoval, Ill., and Dale, Tracy and Keith Endicott, all at home.

### Blood drive on Monday

The Granite City High School North Student Council is sponsoring a blood drive on Monday.

Working with the Red Cross, the students hope to collect at least 200 pints of blood. The general public is being asked by the council to give blood between 9 a.m. and 2 p.m. in the North gymnasium.

Students must be at least 17 years of age to donate blood. Skip McCrone and Lori Fyalka are co-chairman of the drive. Patti Morris is the North student council president.

## Ways to keep the fun in Halloween

By MARY RICHARDS  
Illinois Department  
of Public Health

It's almost Halloween, and little "trick or treaters" all over the state are excitedly preparing for the big night.

No matter how you celebrate the holiday, it should be a "fun-time."

Unfortunately, it seems that the day after Halloween, we hear of at least one tragic incident that took place while someone was happily celebrating. And usually these tragedies involve small children.

In order to help you avoid Halloween tragedies, the Illinois Department of Public Health has compiled some "do's" and "don'ts" to protect the young "trick or treaters."

**First costumes.** Whether they are bought or homemade, be sure they are fire resistant.

Look for "flameproof" labels when you purchase costumes, masks, beards or wigs.

Avoid costumes made of flimsy materials and outfits with big, baggy sleeves or billowing skirts.

It's very easy for a child to brush against a candle or other flame and set fire to the big sleeve or billowing skirt.

Also, costumes should be short enough so children won't trip on them, and light and bright enough to be clearly visible to motorists on dimly lighted streets.

Children can carry flashlights. Or you can sew reflective tape on their costumes.

Be sure that their masks and other disguises do not restrict their vision or breathing; and remember that plastic bags over faces can cause suffocation.

The safest mask is a natural one made of cosmetics or charcoal applied directly to the skin.

Another precaution you can take is to be sure that candle-light, jack-o-lanterns are not set on doorknobs or other places where children may brush against them.

Do not let your children carry candles or any other open flame, even inside a pumpkin. And do not place it on flammable furnishings indoors.

A responsible older person should accompany young trick or treaters, and keep them constantly in sight.

Before your children go out on Halloween, caution them against running across lawns or back yards where they might trip or fall in the darkness.

Caution them against dashing into the streets from between parked cars, and against eating the treats they collect until the candy, apples and other "goodies" have been carefully examined by an adult. In recent years, hazardous substances have been found in treats distributed by real-life "ghouls."

Finally, if you are driving your car on Halloween, take special care to watch out for the young ghosts and goblins. They may be too busy and too excited to watch for you.

The state health department feels that, if you observe all these precautions, your children's Halloween and yours will be an evening of fun and not end in tragedy.

For more information about the state's hazardous substances program, readers may write to: Division of Environmental Health and Sanitation, Illinois Department of Public Health, 535 W. Jefferson, Springfield, Ill. 62761.

### Daughter for Jos. Enrichels

Mr. and Mrs. Joseph Enrichel, 2808 National Ave., are the parents of their first child, a daughter, born Oct. 15 at Oliver C. Anderson Hospital in Maryville.

The new arrival has been named Zlata Lee. She weighed nine pounds.

Mrs. Enrichel is the former Linda Gauert, daughter of Mr. and Mrs. Paul (Virginia) Gauert of Granite City.

The paternal grandparents are Mr. and Mrs. Martin (Anna) Enrichel of West Plains, Mo.

H. C. Gauert of Granite City is the infant's great-grandfather.

by DONNA HARTWICK  
of the Press-Record

Girl Scout Camp Butterfly in Farmington, Mo., was the scene of the Butterfly Bonanza arranged by Neighborhood Four under the direction of Mrs. Dee Loyet, Neighborhood Chairman and Diane Kinder, NST member and Cadette leader, serving as co-chairman of the event.

The late autumn project attracted over 200 Girl Scouts and adult leaders including five Junior Troops, a Cadette Troop and several Brownie Troops.

Weekend activities opened with campfire singing on Friday evening followed on Saturday by an early canoe breakfast on the lake for Cadettes and Junior Scouts and a canoe trip, swimming and beach games.

Evening hayrides were enjoyed and featured Dr. Dorothy Gore, professor of Geology at Southern Illinois University at Edwardsville, who conducted a program on stargazing.

Upper left-Alisa Nelson, Pam Parrish and Nicole Markell prepare to jump in for a cool dip on a warm afternoon.

Upper right-Pam Parrish and Lisa Scaturro receive instructions for safe canoeing from Mrs. Diane Kinder.

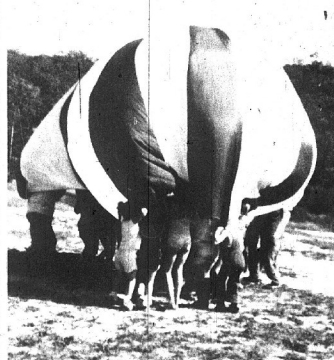

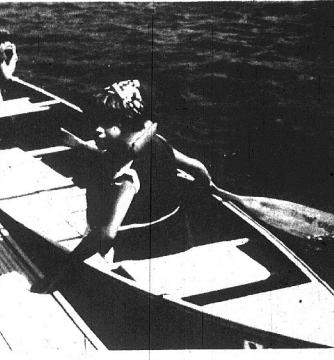

Lower left-Relaxing on the sand covered beach are from left, Annette Welborn, Jennifer Dettwiler, and Mari Ann Finn.

Lower right-Parachute game attracts several Girl Scouts and Brownies.

A tired but happy group of scouts returned home Sunday afternoon noting Scouting is FUN!

Scouting is FUN!

### Frohardt pupils show skills

Sixth grade students from the home room classes of Larry Curry and Mrs. Carlene Buegner presented a music class demonstration at last week's open house at the school.

The children demonstrated a second phase of sight singing music, showing their skills at learning to sing written music correctly by sight rather than by ear.

It was explained the youngsters are learning to reproduce correct pitches from inner hearing, instead of copying sounds from a piano.

Miss Patricia Dineff is the general music teacher for fifth and sixth grade students at Frohardt School.

Those participating in the demonstration were Sheri Anglin, Kimberly, Sue Asbeck, Penelope Barnfield, Suzie Bousau, Rebecca Bonvicino, Pat Breese, Caroleann Fowler, Gary Hagopian, Karen Hammond, Tom Jones, Janet McKenna, Holly McQuaid, Ellen Moss, Becky Palovich, Michael Rath, Tonya Reynolds, Matthew Russell, Diane Schill, Bill Stegall and Tammy Wroten.

Other features of the fund raising event will be live fish, games, sock it to the teacher, make me laugh, a spook house, cake walk, sweet shoppe and a Country Store.

According to the chairmen there, also will be an engraving and wood burning booth.

### New minister at Emmanuel Baptist

The Rev. Bill Mullis from LeRoy, Ill., has accepted the position of pastor at Emmanuel Baptist Church, 1800 Pontoon Road, and will assume his duties on Sunday, Oct. 26.

He and his wife, Barbara, will be formally presented to the congregation at the initial service.

Sunday the Sunday School hour begins at 9:30 a.m. with morning worship at 10:40 a.m. Church training is scheduled for 6:30 p.m. and the evening service is set for 7:30. Each Wednesday at 7 p.m. a worship hour is observed at the church.

According to the church officers a nursery is provided for all services and the public is invited to attend.

Dr. Gore also conducted a program on stargazing following evening hayrides. On the final day, Dr. Gore equipped with compass and maps of the camp guided the Cadette Troop and several adults into and out of Lost Canyon, a location which is known to only a few people.

Father Robert Corbett of St. Joseph parish in Farmington, celebrated a Mass in the commissary at 1 o'clock on Sunday, just preceding the departure of the scouts.

Troops and adults attending include: Brownie Troop 264, Lake School; Tamara Gyaki, Leigh Ann Humphreys, Cherie Karius, Kimberly Karius, Jennifer Winfield, Rebecca Kirsch, Michelle Higginson, Melinda Voegle and Lisa Niemeyer. Adults, Debbie Karius and Fran Niemeyer.

Brownie Troop 567, Wilson School; Shurie Schimidt, Jessica Derosssett, Judy Bergrader, Shelly McClelland, Jodie Phillips, Amy Hall, Amanda Betts, Cheryl Thomas, Tracy Dodd, Amy Harper, Tina Discaron and Nicole Futrell. Adults, Bev Derosssett and Ann Futrell.

Brownie Troop 568, Wilson School; Virginia Bodenstab, Robin DeShasier, April Forsy, Dawn Hartzell, Heather Hayes, Brandi Myers, Stacy Pyle, Tracy Riggs, Lisa Sharp, Barla Walker, Susan Wyde, Michele Ferguson and Shannon DeKeyser. Adults, Pam Myers, Sue Riggs and Dorane Conaway.

Brownie Troop 756, St. Margaret's; Mary Scannell, Stacie Williams,

### Girl Scout autumn campout

Quad-City Brownies and Girl Scouts attended a three-day camping adventure at Camp Butterfly in Farmington, Mo., arranged by Mrs. Dee Loyet, Neighborhood 4 Chairman and Diane Kinder, NST member and Cadette leader.

Activities planned for the autumn project included canoeing, swimming, beach games, hayrides, hiking, parachute and earth ball games and campfire singing.

Mrs. Pauline Schank of Granite City, and Dr. Dorothy Gore, professor of Geology at Southern Illinois University at Edwardsville, Danforth, Jean Hahn, Pat Hahn, April Hughes, Janice and Jerry Lease, Veronica Morris, Mary Ann Stopps, Angela Wickham, Kim Rushing and Missy Segedy, Adults, Charlayne Asbeck and husband, Denny, V. Hughes, Joan Stark, Guests, Heather and Shaun Asbeck.

Junior Troop 825, Parkview School; Helen Milton, Laurie Melton, Paula Farley, Abigail Adelsberger, Michelle Focht, Lisa Higgins, Brenda Chilton, Karen Zarlingo, Tara Schrage, Patty Gordon and Krista Morgan. Adults, Debbie Milton, Karen Melton and Mary Morgan.

### Chapelairees at St. Paul

The group's appearance will be part of "Rally Day" at the church, according to the Rev. Jerry W. Harris, pastor.

Activities will get underway with Sunday school classes at 9:45 a.m., followed by the Chapelairees at 10:45 a.m. Sunday.

Immediately after the concert, a balloon send-off is planned with hundreds of colorful balloons to be launched aloft.

Rev. Harris said the public is invited to attend Sunday's event.

### Mr., Mrs. Seitzer name son Benjamin

Mr. and Mrs. Dan (Cheryl) Seitzer, 2527 Jerden Ave., are announcing the birth of their first child, a boy, on Oct. 18 at Belleville Memorial Hospital.

The infant has been named Benjamin Joseph O'Neal Seitzer and he weighed nine pounds, 11 ounces.

Grandparents include Mr. and Mrs. Donald G. Seitzer, Granite City, and Mr. and Mrs. Joseph O'Neal of Peru, Ind.

# 'Women Involved Day' Saturday

By VALERIE EVENEDEN  
of the Press-Record

Informative viewpoints and solutions to problems facing today's women will be explored in the third annual "Women Involved Day" program, scheduled Saturday at the Granite City Township Center, 2060 Delmar Ave.

Sponsored by the Granite City Business and Professional Women's Club, the program starts with registration from 8:30 to 9:30 a.m., followed by a panel discussion, "Family Crisis for 1980," from 9:30 until 11:30 a.m.

A luncheon will be served between 11:30 a.m. and 12:45 p.m., and Jean McCarrey of Villa Grove, Ill., a past president of the National Federation of Business and Professional Women, will be the keynote speaker at 12:45 p.m.

Tickets are \$9 per person, which includes the registration fee and luncheon cost, according to Ollie Derr, BFW president-elect and project chairman, and Celestia Puryear, co-chairman.

Reservations still are being accepted by calling 931-2626, after 5 p.m.

The program is geared to the special interests and problems encountered by women in all walks of life, Mrs. Derr said. "If you are presently working, or hope to return to the work force in the future, we have something of interest for you."

"Whether you are a homemaker, a mother or a senior citizen, the programs planned for this special day

**MODERATOR** of the Women Involved Day panel Saturday will be Sallie Jo Burton, reporter-photographer for the Collinsville Herald.

also are directed toward you," the chairman stated. Information booths will be set up in the township center auditorium under the auspices of various area organizations, including Rape Crisis Center, Parents Without Partners, Quad-City Mental Health Clinic, Child Abuse, ERA, Right to Life, Women Returning to Education, Hospice, Abortion Alliance, Senior Citizens, APSL Reading Program, Mary Kaye Cosmetics and self defense. The keynote speaker has a broad background in business and the construction industry and in 1973-74, as president of the National Federation of Business and Professional Women, she led the 170,000 member organization through one of its most

successful years. Miss McCarrey, a professional speaker and lecturer, also is a sales representative and registered representative for Travelers Insurance Co.

She is manager of Suncrest Shopping Center in Urbana, Ill., and is the executive vice-president of Suncrest Corp., a company managing a number of commercial properties.

She has served in a number of state and national areas as a consultant and has been a member of the State and National Small Business Advisory Councils, consumer representative to a medical devices panel for the Department of Health, Education and Welfare, Food and Drug Administration, and was the public member of one of the selection boards for the Department of State in 1975.

In her home city of Villa Grove, she has been a member of the Zoning and Planning Commission and now the first woman to serve as a member of the Villa Group City Council. Miss McCarrey is a certified lay speaker in the Central Illinois Conference of the United Methodist Church.

She has served in many capacities in the Villa Grove United Methodist Church, including lay leader and lay delegate to the annual conference, and has held positions on numerous conference and district commissions and boards.

Miss McCarrey is listed in Who's Who in America, among many other prestigious publications. Six panelists will discuss a variety of topics of im-

portance to women and their families during the morning program.

The panelists and the groups they represent are: Sandy Townzen, Child Abuse Center; Phyllis Whitehead, Mental Health, Rosemary Lindner, Hospice; Sue Gasparovic, Alpha House; Yvonne Simmons, Special Women's Project (Alcohol); and Judy McNealy, Rape Crisis Center.

Sallie Jo Burton, panel moderator, is a member and past president of the Collinsville Business and Professional Women's Club, advisor and past director of District 14, Illinois Federation of Business and Professional Women, and past editor of the Illinois Bulletin, official state magazine of the Illinois BFW Federation.

She is a member of the Collinsville Park Board, Illinois Conference of Women Leaders for Traffic Safety and the Southern Illinois Tourism Council.

Miss Burton also is on the Family Counseling Center board of directors, serves as chairman of the Association of Conventions and Tourism for the Collinsville Chamber of Commerce and is a church board member and choir member at the Meadow Heights Southern Baptist Church.

"Women Involved Day" is one of a series of special activities planned by the Granite City BFW in observance of National Business Women's Week, according to Resalie Stern, local BFW president.

**GOURMET COOKING COMPETITION** was one of the highlights of the Boy Scout camporee. Members of Troop 13, sponsored by St. Elizabeth Catholic Church, are from the left, Joe Zinn, Marvin Wiedemer, scoutmaster, Paul Miskell and Jeff Squire.

**SCOUTMASTERS** LATED, Ralph Korte, left, president of the Cahokia Mound Scout Council, congratulates Scoutmaster Sam Brown, center, Troop 41, sponsored by the Mitchell PTA, and Scoutmaster Gus Cormier, right, Troop 11, sponsored by the First Assembly of God Church. Troop 41 and Troop 11 were the top ranked troops at the Scout camporee attended by more than 400 local Scouts and leaders.

## Abandons loot from burglary

Police investigated a burglary and ransacking at the apartment of Janet Green, 2502 Washington Ave., at 10:30 p.m. Monday, in which a color television, jewelry, stereo speakers and a shotgun, with a total value of \$730, were taken.

Entry into the dwelling was gained by breaking a window in the rear door and reaching inside to unlock it.

About an hour later, officers were notified that most of the items had been found by a neighbor of Miss Green's, laying on the ground in front of the garage, near a parked truck. It was theorized the burglar had "stashed" the items to be recovered at a later time.

## Incident in parking lot

Richard H. Briggs, 42, of 4057 Sara St., was arrested and charged with battery at 1:35 p.m. Monday at Bob's Shell Service, 2360 Nameoki Road, on a complaint signed by Curt Mase, 3 Colonial Drive.

Mase told police he was driving north in Bellemeor Village Shopping Center when he was forced to go around a southbound vehicle being operated in the middle of the traffic lane.

He said he was getting air put in a tire of his auto at the service station when Briggs, who allegedly was driving the other vehicle, approached him, grabbed him by the throat and dragged him around the car, choking him and saying "Do you want to play games?"

Briggs was in a nearby store when officers arrived at the scene. He came to the service station at their request and alleged Mase had attempted to run him off the road and said words were exchanged.

Briggs was arrested and released at 2:40 p.m. Monday on payment of a \$102 cash bond.

## IP names new assistant manager

William C. "Chris" Olsen has been assigned as assistant to the manager of the Granite City Service Area of Illinois Power Company, according to C.E. Mathias, Granite City service area manager.

Olsen joined Illinois Power in January, 1977, as assistant customer service supervisor in the Champaign Service Area, and was promoted to customer relations advisor at Decatur headquarters in June, 1978. In May, 1979, he was promoted to customer service supervisor in the LaSalle Service Area, a post he held until assuming his current post in September.

His wife, Deborah, and their one-month-old

daughter, Paige, will be moving soon to Granite City.

Olsen is vice-president of the LaSalle Kiwanis Club and section chairman of the United Way Fund Drive in LaSalle. He and his family are members of St. John's Lutheran Church in Peru. Pastimes include running and golf.

Olsen received his bachelor of arts degree from Millikin University, Decatur, in 1974, and his master of public administration from the University of Arizona in 1976.

Galatians 6:7 "... For whatsoever a man sows, that shall he also reap."

This is a spiritual law. Whatever we sow, we reap. If we sow to the flesh, if we sow to the Spirit, we reap of the Spirit. This law is always carried out.

It is in our power to sow whatever we desire to sow. It would appear that common logic would compel us to sow good things. Such as love, joy, peace, and other such fruits of the Spirit. Knowing we shall reap what we sow, we should sow what we most desire in life to receive.

Jesus said: "Give, and it shall be given unto you; good measure, pressed down, shaken together, and running over."

Have a good harvest. Sow plenty today.

## Mehelic seeks re-election

Namecki Township Highway Commissioner Frank Mehelic announced Tuesday that he will be a candidate for re-election in the township election next April.

Township Supervisor Harold Davis previously announced he would seek the highway commissioner's position next April on a ticket headed by Harry Briggs, candidate for supervisor. He cited Mehelic's record as the reason the primarily incumbent Briggs-Davis slate decided not to put Mehelic on their ballot, contending Mehelic has not done the job properly.

Mehelic responded Tuesday, "People can see I did the job. I will run on my background and my experience and I will run not affiliated with any other group, unless I am asked to."

Mehelic said he does not believe Davis, who works shift work at Granite City Steel, would be able to devote full-time to the highway commissioner's job. "If he works nights (at Granite City Steel), when would he sleep?" Mehelic asked.

The incumbent highway commissioner also disagreed with a published statement by Davis contending that Davis believes he has spent more hours on the job as supervisor than any previous supervisor has.

Mehelic says, "I disagree about the hours. I'm here five to six hours a day and I rarely see him."

"He couldn't handle the job of supervisor. How can he handle this job? He is an electrician by trade," Mehelic said.

FRANK MEHELIC

**BONUSES OFFERED**  
A bonus of \$1,500 is now being offered for persons enlisting in many career fields, according to Major General John R. Phipps, adjutant general of the Illinois Army National Guard. He said members of the Guard also may qualify for \$900 if they extend their enlistment for three years or \$1,900 for six years.

## Craft displays and workshops

By TERESA GULL

Crafts and workshops of all varieties designed for various ability levels are available at the SIUE Craft Shop, according to Ed Carly, director of the shop.

The Craft Shop is open to the general public and university students, faculty and staff. Because of its limited space, the shop is in the process of expanding its workspace to accommodate the high demand for crafts.

Besides retaining its space on the University Center's first floor, the Craft Shop will soon begin using the patio area near the cafeteria for displays, demonstrations, and workshops.

"This area will have a display, demonstration, and gallery type of atmosphere," Carly said. "We will also have a higher visibility level by being located near the cafeteria."

An attempt is made to reach all audiences by having guest crafts people, offering miscellaneous services, and holding various workshops and craft fairs throughout the year.

The noncredit workshops are offered each quarter with the beginner's mind. Courses ranging from stained glass and photography to macramé and ceramics are available.

"We're essentially willing to teach anything as long as there are enough interested students and a teacher is available," said Carly. "We would like to give persons the opportunity to learn basic techniques through these workshops, and hope they will pursue it as far as they would like to."

Costs for the workshops depend on the materials used, but generally range between \$17 and \$27 for six two-hour classes. "The times for the classes vary," said Carly, "but we do schedule a lot of workshops at night so community members can come in after work."

In addition to these workshops, a new program will begin in November to coordinate "the necessity of eating lunch with the luxury of learning a new skill." Carly said mini-workshops will be offered at a minimal registration fee, dependent on the nature of the course, covering materials, instruction, and a boxed luncheon.

Courses such as tie dying, cake decorating, and candle making will be offered. "People will be able to walk in and, by the end of one or

two hours, walk out with a completed project and a boxed luncheon," he said.

The Craft Shop also sponsors Christmas and spring craft fairs. The Christmas fair will be held Dec. 24 and will involve more than 40 professional craftspeople selling and demonstrating how to make their crafts.

The Craft Shop also offers laminating, T-shirt printing, and button-making services, and has the only darkroom on campus that is available to any university or community member.

The shop is partially supported by student fees, and Carly hopes it will soon be self-sufficient. "I can anticipate that by the end of this year we will break even," he commented.

Other than Carly, and the various instructors who teach the workshops, there are three student workers who comprise the staff. Darleen Guigless, O'Fallon, Brenda Ratliff of Madison, and Debbie Englester of Edwardsville help with maintenance and activities.

The shop is open for general service each Monday through Thursday from 8:30 a.m. to 5 p.m. and each Friday from 8:30 a.m. to 4 p.m.

### ACADEMY OPEN

Governor James R. Thompson has been notified that applications for appointment to the U.S. Coast Guard Academy Class of 1985 are now being accepted from men and women.

Applications for appointment and additional information may be obtained from the Director of Admissions, United States Coast Guard Academy, New London, Conn., 06380, before Dec. 15. A graduate of the Academy is awarded a bachelor of science degree and is commissioned as an ensign in the U.S. Coast Guard.

**TO MARRY.** Miss Sue Elaine Hommert and her fiancé, James Robert Simpson Jr. Their engagement is being announced by the bride-elect's parents, Mr. and Mrs. Glen Hommert, 4106 Melrose Ave. A June 6 wedding is planned.

### Sr. Citizens complete tour

A group of local senior citizens have returned home from a bus tour to Atlantic City and visits in six southern states. They were in Atlantic City and for three days where they toured the boardwalk along the ocean and visited casinos and Ocean City.

The visitors also attended a musical show, "Outrageous" at the Helly Park Place Casino Hotel Theater and in Brighton Hotel Music Hall they enjoyed the show, "Hello Broadway."

Enroute home the group made a stopover in Philadelphia to view Independence Square and the Liberty Bell.

Those on the tour included, Marion Ropac, Evelyn Blattner, Irene Kadane, Helen Bergfield, Delores Klesh, Mr. and Mrs. Tom Crawley, Della Hagan, Blanche Scantling, Rose Mary Breyer, Jenny Moody, Eva Hansel, Evelyn Morgan,

**RETURN TO FLORIDA**  
Mr. and Mrs. Bob Snodell of Daytona Beach, Fla., have returned home after a visit with Mr. and Mrs. Frank Snodell of Douglas Place.

### Simpson-Hommert betrothal

The engagement and wedding plans of Miss Sue Elaine Hommert and James Robert Simpson Jr., is being announced by her parents, Mr. and Mrs. Glen Hommert, 4106 Melrose Ave.

Parents of the prospective groom, Mr. and Mrs. James Robert Simpson, reside at 4127 Breckenridge Lane. Plans are being completed by the engaged couple for a June 6 wedding to be solemnized at Sacred Heart Catholic Church.

### Mrs. Metcalf gives lesson

Mrs. Helen Metcalf presented a lesson taken from the book, "The Positive Power of Jesus Christ" by Norman Vincent Peale, at a meeting of the Lydia Circle of the United Methodist Church. Members met in the home of Mrs. Vergie Spalding with Mrs. Lucille Webb serving as co-hostess.

The group repeated the Lord's Prayer in unison to open the session followed by reports submitted by the secretary and treasurer. President Mary Bailey reminded the members of the annual church bazaar set for Saturday, Oct. 25, and noted the Fidelity Class is requesting white elephant items for their Altie Treasure's booth.

### Party honors Mrs. Bromann

Mrs. Clara Bromann of Granite City, was honored this week at a party in observance of her 80th birthday. The affair was hosted by Mr. and Mrs. Lyle Fortner of Glen Carbon. Fresh cut garden roses were used as the table centerpiece for the dinner and later in the evening the hosts served a dessert course.

Those attending were Mr. and Mrs. Louis Rains, Mrs. Joseph Michaels, Mrs. Freda Pufalt, Mr. and Mrs. William Messerschmidt, Mr. and Mrs. Will Spim, Mr. and Mrs. Monte Parks and Mrs. Mary Cromie of Madison.

**ENGAGED.** DeAnna J. Lloyd, daughter of Mr. and Mrs. Larry (Shirley) Lloyd, 2736 W. 20th St., whose betrothal to Army Private William E. Blackwell is being announced. Plans are being made for a wedding in February.

### Blackwell-Lloyd engagement

Mr. and Mrs. Larry (Shirley) Lloyd, 2736 W. 20th St., are announcing the engagement of their daughter, DeAnna J. Lloyd, and Private William E. Blackwell, U.S. Army. Tentative plans are being made for a wedding in February at the Second Baptist Church. The bride-elect graduated in June from Granite City High School South. In addition to attending high school, Miss Lloyd was employed as a secretary from August 1977 to August 1980 at the U.S. Army Recruiting Station in Granite City.

Pvt. Blackwell is the son of Mr. and Mrs. Pat Blackwell of Kentucky and the late L. A.

**MR. AND MRS. PAUL HOFF.** They were united in marriage at Winstanley Baptist Church, Fairview Heights. The bride is the former Kimberly Sue Worster, daughter of Mr. and Mrs. Charles Worster, 3256 Wabash Ave.

### Kimberly Worster and Paul Norman Hoff wed

Miss Kimberly Sue Worster and Paul Norman Hoff were united in marriage on Saturday, Sept. 20, at Winstanley Baptist Church, Fairview Heights.

The altar was banked with two large pyramid side bouquets of pink and white gladioli, fugie mums, carnations, shasta pompons and baby's breath. The altar bouquet matched the side bouquets and was centered with a tall unity candle. Surrounding the altar were banks of fresh green foliage. Boston fern plants and brass candelabra with tall white lighted tapers.

Preceding the service, Mrs. Rose Sandefur, organist, played pre-nuptial music. Miss Angela Gerlach, soloist, sang "The Wedding Song" and "The Lord's Prayer."

The Rev. Wendell Garrison, pastor of the church, officiated at the 7:30 a.m. ring candlelight ceremony. The bride is the daughter of Mr. and Mrs. Charles Worster, 3256 Wabash Ave. and the granddaughter of Mr. and Mrs. Brooks Weir, 3276 Wabash Ave.

Parents of the groom are Mr. and Mrs. Norman Hoff, 44 Wilshe Drive, Fairview Heights, and his grandmother is Mrs. G. A. Curneal, Madisonville, Ky. Escorted down the aisle by her father marked by variegated camellias and pink and white satin bows, the bride wore a formal length pure white silesta knit gown fashioned in an empire silhouette. The high neckline was trimmed with Venice lace etched with pearls and the yoke was embroidered with flowers, pearls and scalloped lace. The bodice was also trimmed with lace and the long full sleeves were deeply cuffed with lace. Her long front skirt had pleating from the bodice to the hemline and fell softly, extending in the back into a full sweep chapel train.

She wore a fingertip veil of bridal illusion bordered with matching Venice lace and secured to a lace trimmed camellia headpiece adorned with pearls. Her bridal cascade bouquet was an arrangement of silk pastel pink and dusty rose day-lilies outlined with variegated camellias and ivy foliage, highlighted with pastel pink stephanotis and loops of pale pink satin ribbon.

Matron of honor was Mrs. Diane Cummins and bridesmaids were Mrs. Marjane Shofner, Mrs. Annette Pulaski, Mrs. Janet Winkler, sister of the groom, and Miss Kellye Worster, sister of the bride. The bridesmaids were gowned alike in frosted pink giana knit dresses designed with a scoop neckline, and spaghetti straps and short puff sleeves. The short skirts featured a tulip design and self-tie at the waistline complimented with detachable slender skirts. The matron of honor was attired in the same style gown in suede rose.

Each attendant carried a frosted pink lace fan with a crescent cascade cluster of trailing ivy, pink silk morning glories and forget-me-nots, centered with large silk French moss roses in shades of pink, lilac and grape.

Best man was Robert O'Dell. Groomsman were Mark Shofner, Steve Brown, Dan Wilson, brother-in-law of the groom, and Kevin Worster, brother of the bride.

Taxi Struene wearing a formal length white ruffled organly gown trimmed with lace and carrying a miniature brides' bouquet served as the flower girl. Dustin Cummins served as ringbearer.

Extending the guests to their seats were Paul Flahan and Jeff Green. Attending the guest book was Mrs. Martha Reighan, a college friend of the bride, from Cape Girardeau, Mo.

For her daughter's wedding, Mrs. Worster chose a formal length pastel pink crepe gown. The fitted bodice featured a mandarin neckline with chiffon sleeves cuffed at the wrists. The skirt featured softly draped accordion pleats. The groom's tuxedo was attired in a plum colored floor length gown. Her bodice was fitted with a bow neckline and the chiffon sleeves were also cuffed at the wrists and the self-belted skirt draped softly in accordion pleats.

Both mothers wore collages of pastel pink silk roses centered with pink babies breath and loops of pastel pink satin ribbon. Immediately following the ceremony guests were received at a buffet reception held in the fellowship hall of the church. Assisting at the reception were Mrs. Lydia Hansen, Mrs. Virginia Jannick, Mrs. Monica O'Dell and Rene Guenther.

The rehearsal dinner was hosted by the groom's parents at the Fischer's Restaurant in Belleville. The newly wed couple are residing in Swansea, Ill., after a wedding trip to Tampa, Fla., Lake of the Ozarks. A 1978 graduate of Southeast Missouri State University, Cape Girardeau, the former Miss Worster received her B.S. Degree in elementary education there and is presently employed at Crawford and Company in Belleville, as an independent claims adjuster.

The groom is a graduate of Belleville Area College and is employed as a computer operator at General Bancshares Service, St. Louis. Guests from out of town were, Mr. and Mrs. Homer Lupkey, Mr. and Mrs. Robert Evans Jr. and Mr. and Mrs. Bud Barrett, Herculaneum, Mo.; Mr. and Mrs. Dan Wilson, Oklahoma City, Okla.; Mr. and Mrs. Bill Ellsworth, Anna, Ill.; Mrs. Martha Reighan and Gary Brown, Cape Girardeau; Mrs. G. A. Curneal, George Curneal, Mr. and Mrs. Kenneth Brantly and Jason and Wesley, Madisonville, Ky.; Also, Tape Hoff, Mitchell, S.D.; Mrs. Viola Herr and Mrs. Mary Ann, Breckleut, Trapp, S.D.; Mr. and Mrs. Richard Hogbin, Hazelwood, Mo.; Mrs. Mae Cerke, St. Ann, Mo.; Garland Gilbert, Belle, Mo.; Mrs. Lydia Hansen, St. Charles; Mr. and Mrs. John M. Greene, Affton; Mr. and Mrs. Al Jannick, Ferguson; Mr. and Mrs. Greg Jannick and Mr. and Mrs. Charles Lee, Florissant; and Mrs. Leah Tripp, Collinsville.

### Altar Society sets yule party

St. Ann's Altar Society of St. Joseph Church completed plans for a Christmas party on Dec. 9 in the church basement during October meeting conducted by President Ann Pieper.

A report was read by Mrs. Margaret Minzes and a donation was approved for a Boy Scout project to help collect money for children with Reiss syndrome.

Those honored on their birthdays were Elizabeth Mehlich and Donna Waller. Communion Sunday will be Oct. 26 at 9:30 a.m. mass, Mrs. Pieper noted.

Refreshments were served by Mrs. Pieper and her committee, Kloten Mosby, Mary Pastain, Sarah Downs, Matilda Olsen, Ann Gasparovic and Joan Standish.

Prizes for the evening were awarded to Mayme Boyer, Elizabeth Mehlich, Tillie Olsen, Ann Gasparovic, Mary Veres, Jean Stanfill and Mrs. Pieper. The next meeting will be on Nov. 11, at 7:30 p.m.

## Drusilla Andrews studies folklore

Mrs. Ronald Mordhorst, Division 6 Director of the Daughters of the American Revolution and a resident of Belleville, was the guest speaker at a meeting during the weekend of the Drusilla Andrews Chapter of the DAR held at Burns Cafeteria.

She spoke on types of folklore and particularly concentrated on "epitaphs" that are to be found in many of the older cemeteries throughout the United States.

Twelve members and two guests attended the session.

Mrs. Emma Schoen, regent, conducted the opening ceremonies assisted by Miss Mae McCormick, who served as the chaplain.

Mrs. Marge Hilker led the group in the pledge of allegiance.

Miss Eva Renfro read the President General's message and Miss Ella Ray Smith presented a National Defense topic on how our American technology and inventions are aiding the Russians.

The subject of resignations of older members, a topic which has been discussed several times in recent years, was again considered. Members were advised that the preparation of a resolution was necessary to get the topic before the state and national organizations for possible action. Each member was asked to write her own resolution before the next meeting so that they can be combined into one effective presentation.

Miss Renfro presented the safety quotation for the meeting by recalling a rhyme that she used a number of years ago with a child she was tutoring. The rhyme went, Stop, look and listen before you cross the street. First, use your eyes, then use your ears and then use your feet.

Announcement was made of the forthcoming Division 6 meeting to be held Friday at Allamont. A delegation of five persons will be attending. Mrs. Schoen said. Through combined individual gifts and chapter contributions, donations were voted for the following organizations: on the state level the DAR Library at Centuria will receive funds for books and for the Genealogical Records Binding and Contributions are being sent to the Kate Duncan Smith school for the home economics building and the general expense fund. The Tananasee school will receive funds for the Illinois boys' dorm and for its general expenses also.

Other special groups and committees receiving contributions were CAR, the NSDAR Prize Fund for the JAC, the ROTC Cooperative Award Program, the NSDAR Library and Genealogical Records Binding Fund, the canteen books fund for veteran patients in hospitals, the Helen Pouch Memorial Fund, the Americana Room Fund, the Investment Trust Fund, the NSDAR American History Scholarship Fund, the Caroline E. Holt Educational fund for medical scholarships, the Occupational Therapy Scholarship Fund, and the Seimes Microfilm Center.

In addition to those already mentioned, Mrs. Sandy Wilkinson, a guest, was present. Misses Nelle Hart and Mildred McCormick and Mesdames Margaret Belt, Janet Wilson, Ruth McCarty, Florence Simpson and Barbara Williams.

**WED.** Mr. and Mrs. Stephen Anthony Noud, who were married in a candlelight ceremony at St. Margaret Mary Catholic Church. The bride is the former Kimberly Renee Miller, daughter of Mr. and Mrs. Bill (Carlene) Miller, 157 Sandy Shores Drive, Arlington Heights.

(Hollywood-Andrews Photos)

## Mrs. Walter Klein presents program

Mrs. Walter Klein reviewed three articles including "A Bargain Baggers' Secret," "President-In Perspective," and "Teaching Patriotism" at a meeting of Bay View Reading Club.

The featured speaker was introduced by Mrs. Dale Rea, program chairman.

Miss Lily Dod was hostess for the session held at the First United Presbyterian Church.

President Mrs. Arthur Lynch.

## Cloverview plans Craft Festival

Members of Cloverview Garden Club completed final arrangements for a Craft Festival set for Nov. 22 at the Nameoki Recreation Center, at a luncheon meeting held last week at Charlie's Restaurant.

Hostess for the day was Mrs. Charles Gandorla. A report was given by Mrs. George Knapp, co-chairman of the ways and means committee, on the gathering of dried flower materials by members at the country home of Mrs. Eldon Meikamp.

The materials will be used to create centerpieces and other craft articles to be featured at the November festival, Mrs. Knapp added. Plans were made for

members to attend a district flower show today at Signal Hill Lutheran Church in Belleville. The local delegation will exhibit flower arrangements and potted flowers in the ribbon competition, it was noted.

The subject of nursing home garden therapy was introduced by Mrs. Knapp and there was unanimous approval to participate in the project beginning next year. The program was on two Illinois conservation reports. Mrs. B. C. O'Neill presented a report on Illinois State Parks and reviewed a conservation meeting to be held in Mount Vernon at Rend Lake Community College, on Saturday, Oct. 25. Theme of the event is "Illinois Parks National Legacy Conference Focus."

Mrs. Clarence Elberidge read a report on a clinic near Glenn Ellyn, Ill., for the second segment of the program. Her topic was entitled, "Willowbrook Wild Life Haven Rest Home" and she told of wild birds or animals which are found injured or sick are taken, treated and kept at the rest home until they are strong enough to be released.

Others attending the session were Mesdames Robert McCauley, George Stearns, John Brinkmeyer, Eldon Meikamp, John Lentz and William Miller.

## Thelma Greer is betrothed

The engagement of Miss Thelma Jean Greer and James Lee Edmundson is being announced by the bride-elect's parents, Mr. and Mrs. James E. Greer, 5504 Mayville Road.

Parents of the prospective groom are Mr. and Mrs. Howard Edmundson, reside at 102 Commodore, Belleville.

A graduate of North High School, Miss Greer is presently attending Southern Illinois University at Edwardsville and is a member of Alpha Phi Omega Fraternity.

Her fiancé was graduated from Alhaff High School and Belleville Junior College. He is also attending SIUE and is working as an associate programmer at McDonnell-Douglas Corp.

The engaged couple are planning to be married on Nov. 22 at Blessed Sacrament Church in Belleville.

## Church group to make lap robes

Plans to make lap robes for nursing homes were initiated at last week's meeting of the Progressive Class at Second Baptist Church.

Rachel Westphal was in charge and Naomi Burnett gave the opening prayer. The group also sang songs and recited psalms.

"Bible verses were repeated in response to roll call and prayer for the sick was offered by Lena Stephens and Mina Duggins. Refreshments were served to those named and to Naomi Roney, Lena Bonivar, Iva Biggs, Melva Roberts, Lillie Naler, Goldie Smith, Mamie Stroud, Virginia Taylor, Florence Paul, Vida Pierce and Marguerite Keeton.

## Trinity Methodist to hear Dan Enloe

Dan Enloe will be the featured speaker at Trinity United Methodist Church, E. 28th and Henry streets, Sunday at 7 o'clock in the evening, according to the Rev. Paul Bryant, pastor.

Enloe has been engaged in gospel music for six years and for three and one half years has been singing tenor with The Eastmen, Rev. Bryant added.

Rev. Bryant said the guest speaker will deliver his service in song as well as in word and the public is invited to attend the unusual program.

## Larkin Conaways observe 60 years

Mr. and Mrs. Larkin W. Conaway, 2520 Sheridan Ave., are celebrating the 60th anniversary of their marriage.

The former Clara Bond and her husband were married Oct. 7, 1920, in East St. Louis.

They are the parents of four children, Robert L. and Richard Conaway, both of Granite City, Miss. Beverly Conaway of East Alton and James Conaway of Minneapolis, Minn.

The Conaways also have 12 grandchildren and six great-grandchildren.

In observance of the anniversary, the honorees were

entertained with a dinner party at the home of their daughter in Alton last week.

Among the guests were Mr. and Mrs. Robert L. Conaway and Cheryl, Mr. and Mrs. Richard Conaway and Richard, Joe and Susan, Denni Conaway of Carlinville, Mr. and Mrs. Robert D. Conaway of Glen Carbon.

Mr. and Mrs. Herbert Cain and Robin and Eric, Mr. and Mrs. Lennie Wilson and Matthew and Lennie, Mr. and Mrs. Leroy Parison and David, Alan Charbonnier, Mrs. Edith Lacoec and Kenneth Bond of Santa Monica, Calif.

## Local school band selling portraits

The Lake Division Elementary Band is presently selling certificates for 11 by 14-inch color family portraits for \$5 each.

The money will be used for band field trips this school year. Anyone wishing to order a portrait may do so by contacting any band member in the concert band from Lake School, Marshall School, Webster School, Wilson School or by phoning 931-5180.

The photographs will be taken at one of the local elementary schools Saturday Nov. 8.

Couples, groups, and individuals 18 years or older also may be photographed. All interested parties are urged to contact a band member a spokesman said. Everyone is welcome to participate in this offer according to the spokesman.

**GARAGE BURGLARY**  
An air compressor, valued at \$150, a bicycle and a bucket of nails, bolts and screws were stolen from a garage at the home of Clifford Cozart, 2329 Lynch Ave., it was reported at 1:30 p.m. Monday.

## Suit assailed and defended

The Citizens for a Quality Judiciary responded to a suit filed by Edward Nalefski Friday against Circuit Judge Victor J. Mosele. Paul E. Riley is chairman of the group and John J. Rekowski is secretary-treasurer.

"Nalefski is office manager for Morris Chapman, a Granite City area personal injury lawyer who has been publishing a quarterly review of trial and appellate decisions and judgments," Riley alleged.

"Chapman is opposed to the retention of Judge Mosele and is spending money to secure his defeat. Chapman has had members sue for several weeks examining court records."

"One claimed to be a student, and another a researcher," Riley alleged. "The records are kept by Willard V. Portell, clerk of the circuit court, who is the sole official entrusted to keep the court records. No one else, including the judges, can give or deny access to the records."

Chapman and Nalefski, a former deputy circuit clerk, are familiar with this fact. "The people who are referred to as agents of Judge Mosele are employees of the circuit clerk and sheriff, over whom the judge has no control."

"State's Attorney Byron maintains that records of criminal cases are public records except for police

reports and pre-sentence reports which have a confidential status and must be removed before public inspection of the files."

"Constructive criticism of elected officials is health, but such a suit is far from fair play."

"Undoubtedly, the next play will be the quoting of statistics out of context to make Judge Mosele appear soft on crime. The Judge's complete record clearly demonstrates that nothing could be farther from the truth."

Chapman this week said a group known as the Committee for an Improved Judiciary is concerned about "excessive probation" and "turning too many people loose."

"As a civil case attorney, Chapman does not practice before Mosele, but concedes that 'I don't like him.'"

The suit calls for Mosele to make available court records without "harassment, delay or alteration." It lists specific allegations of intervention by Mosele to thwart committee clerks' quest for records.

Mosele alleged misrepresentation by some who sought to check records, and said the study of records was being made for political reasons.

He is on the ballot for retention Nov. 4.

## Volunteers attend management seminar

Mary Ellen Fischer, volunteer president of River Bluffs Girl Scout Council, recently attended a management seminar for adult Girl Scout volunteers.

Conducted by Peter Drucker, a recognized authority on modern management, the seminar was attended by one hundred and twenty-seven volunteers from 37 states participated. All but four were women.

Sponsored by Girl Scouts of the U.S.A., the Drucker seminar took place in Pomona, Calif., and was geared to elected presidents of local Girl Scout councils, who carry the grassroots responsibility for volunteer productivity. Twenty national volunteers also attended.

The main topics on which Drucker worked with the group were corporate planning, fund development, affirmative action and personnel management. Both lectures and small group workshops were included in the seminar design, with a focus on effective performance and increased productivity at the local level. Participants received 1.5 Continuing Education Units (CEUs), accredited by the Council for Non-Collegiate Continuing Education.

A volunteer team led by Betty Pilsbury, first vice-president and chairman of the National Executive Committee, Girl Scouts of

the U.S.A., worked with Drucker and Frances Hesselbein, Girl Scout national executive director, on plans for the seminar.

Adult career development for both volunteers and employed staff is a major concern of Girl Scouts of the U.S.A., the world's largest volunteer organization for girls and women.

The Drucker seminar for volunteer heads of Girl Scout councils follows two intensive courses of management training for local executive directors. These were conducted in Boston by Harvard University faculty in the summers of 1979 and 1980. A third summer session for Girl Scout executives is now in the planning stage.

## BPW'S GIFT TO THE NATION

The BPW Foundation exists to create greater career opportunities for women. As business and professional women, we feel a special obligation to help individual women on career paths and to conduct research projects which expand knowledge about working women and ways to improve their career choices.

**How—** Providing educational assistance. Guidance in management and leadership roles. Supporting research of concern to all working women. Broadening horizons of young careerists.

**For Whom—** Members and non-members. Working women of America. Full-time and part-time students. Young women seeking careers.

The Business and Professional Women's Foundation's programs are unique and recognized as singular efforts in this field. Its comprehensive resources, many services and genuine concern with the personal and career lives of employed women, make the Foundation truly BPW's gift to the nation.

## Lack of dialogue between county board and county officials debated

Larry West, Republican candidate for county auditor, Bill Hardin, Republican candidate for clerk of the circuit court, and Joseph Young, Republican candidate for recorder of deeds, yesterday announced a common position critical of their Democratic opponents who want salary increases and benefits.

"It's a sad commentary when our opponents who already receive a good salary have to ask for the services of organized negotiators to seek additional raises from the County Board."

"This greedy attitude is a manifestation of one-party rule that has existed in Madison County for decades," the three GOP candidates said.

"It seems to us that the best interests of the county taxpayers can be served by curtailing any additional salary increases."

"If elected, we will provide streamlined, cost-effective service to the citizens of

Madison County at the present scheduled salaries."

"We are not machine politicians but private businessmen who want the taxpayers' interests up-kept."

"Part of our opponents' desire for added raises results from having to pay the Democratic machine up to \$15,000 to get its permission to run as an endorsed candidate," the three alleged.

Circuit Clerk Willard V. Portell, who first approached the Teamsters union about representing elected county officials in negotiations with the County Board, defended his actions and said the issue is being placed out of perspective.

"I don't go as Butch Portell to ask for a raise. I ask for the office of circuit clerk. What we get will go to whoever is elected in November. Will any of them turn it down?"

"There is no communication with the board,

and I don't know why. In previous years, we were always called before the finance committee to present a case for raises, but this year we requested a meeting and were never called."

The board last week established higher salaries for elected officials for the next four years. Portell said

insurance benefits also, are being sought.

Hardin, running against Portell Nov. 4, said he doesn't object to use of a professional negotiator but added, "If they had any credibility, they wouldn't have to resort to it. The way to handle this is to have a good working relationship with the board."

## School election information Saturday at Crossroads

The public is being invited to visit the Granite City school district's information center to be located at the parking lot of the Crossroads Shopping Center on Nameoki Road this Saturday between 10 a.m. and 2 p.m.

Members of the Board of Education, School Administration and Citizens Advisory Council will be on hand to answer questions regarding the bond issue and tax rate election scheduled for the same day.

Also on hand will be both North and South high school student council representatives to sell home-baked items to staff "school marm" activities.

### GC teachers unanimous for 'Yes' votes

At a regular scheduled business meeting of the Granite City Teachers' Local 785, American Federation of Teachers, members unanimously voted to endorse Saturday's bond issue and tax referendum.

Realizing "the importance of having safe and comfortable school environments conducive to learning," the educators pledged to vote "Yes" on both proposals at the Oct. 25 election.

A \$2,000,000 bond issue involves a 24-cent tax rate, and the second ballot item calls for a 10-cent increase in the building fund rate limit.

Voting will take place from noon to 7 p.m. Saturday at the 13 elementary schools.

### Mason attends NAACP meeting

Oliver Mason, representing the Madison Branch of the NAACP (National Association for the Advancement of Colored People), attended the 44th Annual Convention of the NAACP held in Moline, Ill.

The convention was held in the Le Clair Hotel, hosted by the Rock Island Branch of the NAACP with Mr. Phyllis Adams presiding.

Main topics of discussion were desegregation and exercising the right to vote.

The major attraction of the meeting was the appearance of vice-president of the United States Walter Mondale. The vice-president emphasized the necessity for everyone to exercise his right to vote.

The director of the Washington Bureau of the NAACP, Mrs. Althea T. L. Simmons, spoke on desegregation in the schools, and voter registration and fair housing.

### Pilgrimage for life on Sunday

Thousands representing an ecumenical cross-section of pro-life groups in the area are expected to march through downtown St. Louis on a "pilgrimage for life" Sunday afternoon, starting at the Soldiers' Memorial, 1315 Chestnut St., at 1:30.

Participants will march to the steps of the Old Courthouse, Fourth and Market, where a program of speeches, prayer and song will unfold from 2:30 to 3:45 p.m.

The "declaration of purpose" will be delivered by Dr. J. A. O. Preus, president of the Lutheran Church—Missouri Synod and head of Clergy for Life, an interfaith association. Marchers will include Baptists, Lutherans, Catholics, Jews, Mormons, Presbyterians and Greek Orthodox Church members.

Superintendent B. J. Davis and District Principals Gilbert Walmsley (North High), Richard Ault (Marshall), James Jeffries (Webster), Alfred Wilson (Emerson), Ted Vrenick (Wilson), Donald Kopp (Nameoki) and Gary Froender (Frohhardt) will serve as "school marm" targets for wet net balls.

Proceeds from this activity and from the bake sale will help pay for expenses incurred by the district for items publicizing the bond and tax referendum resolutions.

"The total expenses have been minimal, as the Press-Record has taken an interest in this vital issue and has published extensive information for its readers," a

school spokesman said today.

In addition to the purpose of raising revenue, the information center is intended to serve as an opportunity for persons to discuss issues related to the election, and to serve as a reminder to residents to vote.

"The polls are located at each elementary school and will be open from 12 noon until 7 p.m."

Residents of the Granite City school district who are registered to vote are encouraged to cast their ballot at the school where the children in their neighborhood attend.

"School officials are urging a 'Yes' vote on both proposals, believing their request is minimal to provide safe and healthful school conditions," the spokesman concluded.

## Chouteau Halloween party set Sunday

Chouteau Township will host its fourth annual Halloween party on Sunday, Oct. 26, at the Chouteau Township Hall from 2 to 5 p.m.

The afternoon event is open to children and adults dressed in costumes in conjunction with the traditional holiday. Judging will be conducted according to four categories.

Categories include pre-

school children through kindergarten; first, second and third graders; fourth, fifth and sixth grade students; with seventh grade and adults in the fourth division.

According to township officials, \$3 prizes will be awarded for the 10 best costumes in each age group.

Bill St. Peters will serve as master of ceremonies and Julie Hicks is chairman of

the social affair. Entertainment will be provided by John Popper, Granite City magician.

Mrs. Hicks said treats will be distributed to the participants and refreshments of hot dogs, sandwiches and soft drinks will be served after the judging.

Special features will include "The Wicked Witch" serving a special drink from her cauldron and two fortune telling booths.

## Students aiding SIU decisions

The Southern Illinois University Board of Trustees has approved a handbook to serve as a background and reference document for student trustees.

The handbook provides general information about the role of board members, student members in particular, plus specific information about the functions and responsibilities of board membership.

It was prepared by the Office of the Chancellor at the request of Board Chairman William R. Norwood, who expressed concerns that student trustees, who serve one-year terms, are faced with learning board procedures in a short period of time.

Norwood said the handbook is designed to assist and guide student trustees so that they may participate "fully and effectively" on the SIU board.

Under legislative authorization approved by the General Assembly and the governor in 1973, the board has two non-voting student members, selected by students on the Carbondale and Edwardsville campuses.

Since 1975, student trustees have had the right to make and second motions, to serve as members of board committees, and to participate in all of the board's deliberations, including those conducted in closed session.

In addition, student trustee opinion is recorded prior to the roll call vote of the board on those issues requiring such a vote.

## Halloween dance, outings discussed by AARP group

Granite City Area Chapter 1340 of the American Association of Retired Persons held its October meeting at the Township Hall. President Helen Bergfield led recitation of the Lord's prayer and the pledge of allegiance.

Karlyn Edmonds read correspondence, including an announcement from the township of a Halloween dance Oct. 29 at 6:30 p.m. at the hall; seasonal costumes are being suggested.

A bus trip will be made to Our Lady of the Snows shrine to see Christmas lighting Dec. 8 at 5:30 p.m. Reservations are to be made by calling the township office.

A Christmas ball is planned by the township for Dec. 19.

Announcement was made of the AARP Christmas dinner dance to be held at the township hall Dec. 10. Dinner tickets will be sold at the November meeting.

Marge Hall, membership chairman, introduced new members: Harold and Woody Lynn, Walter and Alice Dombroski, John and Rose Schwertman, Mildred and Adolph Stanek, Lillian and Edmund Firmer, Anne Lee Berger, Juanita Veizer, Mary Nemeth and Ann Gasparovic.

Guests were introduced. Peggy Gibbons, chairman of the nominating committee, read the slate of

officers to be voted on at the November meeting: David John, president; Michael Lombardi, vice-president; Helen Bergfield, secretary; Clara Schilling, treasurer; and board members Oscar Ash, John Baker, Marie Baker, Georgia Butler, Thomas Crawley, Karlyn Edmonds, Marge Hall, Delores Klesh, Adele Thomas, Vernice Walter and Rebecca Parrish.

The 1981 nominating committee is to include Joseph Barbieri, Ruby Sorbitt, Cleveland Cox, Sally Gracey, Vina Law, Nick Lucido Jr. and Edgar Paddock. Oscar Ash reported on the school election Oct. 25.

Clyde Myers said one more driver is needed by the Red Cross to drive patients to hospitals.

Edgar Paddock said the home care allotment through the Madison County Senior Citizens, Inc., has made more care available. Vina Law announced the rhythm band is to play at the Shriner's Hospital and the Cochran Veterans Hospital.

Entertainment was introduced by Dee Klesh. The Gibson Variety Band of Riverview Gardens, St. Louis, a group of women entertaining for the past 22 years, have a song and dance program.

The group gives the proceeds to the Riverview Gardens High School orchestra and to charitable institutions.

Birthdays were celebrated and prizes were given to Caroline Lux, Andy Simurda, Kathrine Hunkley, Petty Gibbons, Clara Harbig, Edgar Paddock, Bess Henley, Clara Ash, Ann Severine, Joe Barbieri, Joe Lucido and Carl Walter. Refreshments were served and games were played.

## 'Yes' votes recommended on two GC school election proposals Saturday; no frills among the repair projects

The Press-Record recommends that voters cast "Yes" votes Saturday on issuing \$2,900,000 in ten-year bonds to repair Granite City school buildings and on adding ten cents to the building fund's tax rate ceiling.

The two ballot propositions appear likely to win—despite voters' understandable concern about taxation—because the alternative might be even costlier within a short time. The schools have deteriorated due to continuing budget squeezes, and the buildings need to be fixed now, before greater damage occurs.

The only prospect of defeat appears to be linked to the degree of public misunderstanding about the repair work that is planned. Some voters are said to believe erroneously that the bond program includes needless improvements or ultra-luxurious projects.

The list actually has been pared down to a minimum, and all of the improvements that are proposed have the full backing of the Citizens Advisory Council as well as the School Board, administration, faculty and staff.

In an effort to be as clear as possible about what the bond election is all about, we present below the full breakdown of the construction, renovation and equipment proposals. It is proposed to spend \$1,109,000 at Granite City High School South, \$268,000 at Johnson School, \$176,000 at Coolidge Junior High, \$147,000 at Granite City High School North, \$128,000 at Mitchell School, \$122,400 at Grigsby Junior High School and \$120,500 at Nameki School.

Also part of the \$2,900,000 general obligation bond issue are projects totaling \$95,000 at Nidringhaus School, \$76,500 at Marshall School, \$54,000 at Prather Junior High School, \$52,000 at Webster School, \$33,000 at Logan School, \$32,000 at the Board of Education office-warehouse complex, \$31,000 at Entero School, \$27,200 at Maryville School, \$17,800 at Frohardt School, \$11,200 at Wilson School, \$9,200 at Lake School, \$6,200 at Parkway School, \$2,000 at the Pre-School Center, \$50,000 for electrical work in the district and \$350,000 for fees and contingencies.

+++++

The work is scheduled to include reconstruction of the Mitchell School kitchen, \$25,000, and remodeling of Granite City High School South science rooms, offices and counseling areas, electrical work and installation of temperature controls at a total cost of \$625,000.

Heating-cooling work is slated for both Johnson School, \$240,000, and South, \$90,000, and bleachers costing \$100,000 are planned at South.

Also slated for 60-year-old GCHS South are roofing for the gymnasium and slate roof area, \$165,000; replacing \$50,000 exterior wall work costing \$400,000, flooring \$80,000, ceilings and lights \$100,000, lockers and locker rooms costing \$35,000, fire suppression hoods \$10,000 and burglar alarms costing \$17,000.

Granite City High School North projects are the east wing roof, \$75,000, and work on walls costing \$6,000, flooring \$20,000, walls \$15,000, and playgrounds and drives, \$30,000.

Prather Junior High work is to include tuckpointing costing \$2,000, flooring \$2,000, ceilings and lights \$2,000, fire suppression \$2,000 and locker rooms, \$45,000.

At Grigsby Junior High School, the projects involve tuckpointing, \$120,000, and fire suppression, \$2,400.

The Coolidge Junior High consists of roofing, \$85,000, tuckpointing \$5,000, windows \$8,000, walls \$20,000, fire suppression \$2,000, ceilings and lights \$11,000 and locker rooms, \$35,000.

Work at the Board of Education office site, 20th and Adams streets, consists of roof installations estimated to cost \$32,000. It is planned to put new roofs on a building that houses surplus equipment and on a former lumber yard, which is utilized as maintenance building. The latter structure is more than 190 feet long and has a complex roof design. The board office roof has been assessed and new roofs were installed in 1973 on the audiovisual center and in 1978 on the supply warehouse.

## Veterans for defense, Reagan

To the Editor:  
Veterans' Day, Nov. 11, is coming up to honor the former GIs who fought and died for this country. Please remember on this day to fly "Old Glory" in remembrance of these men.

At the same time, please remember all the current members initiated by President Jimmy Carter against the veterans—cutting back pensions, closing veterans hospitals and numerous other programs involving the veterans.

For the first time on record, the Veterans of

Bond project listings for elementary schools are as follows:  
Emerson—roof \$8,000, windows \$14,000, electrical work, burglar alarms \$3,000 and fire suppression, \$6,000.

Frohardt—electrical, flooring \$3,000, ceilings and lights \$7,000, alarms \$3,000 and fire suppression, \$4,000.

Other Johnson School projects—\$15,000, electrical work, carpentry \$5,000 and playgrounds and drives, \$15,000.

Lake—flooring \$4,000, ceilings and lights \$1,000, alarms \$3,000 and fire suppression, \$1,200.

Logan—electrical, flooring \$5,000, ceilings and lights \$7,000, alarms \$3,000, fire suppression \$5,000 and playgrounds and drives, \$15,000.

Marshall—roof \$52,000, tuckpointing \$8,000, floor \$2,000, ceilings and lights \$10,000, alarms \$3,000 and fire suppression, \$1,000.

Maryville—ceilings and lights \$8,000, alarms \$3,000, fire suppression \$1,200 and playgrounds and drives, \$15,000.

Other Mitchell School work—\$100,000 for the gymnasium and addition, \$35,000, tuckpointing \$8,000, windows \$18,000, gymnasium electrical work, restrooms \$20,000, flooring \$4,000 and fire suppression, \$1,000.

Nidringhaus—roof \$25,000, tuckpointing \$8,000, windows \$15,000, electrical, floor \$11,000, ceilings and lights \$25,000, restrooms \$25,000, alarms \$4,500 and fire suppression, \$4,000.

Nidringhaus—windows \$25,000, electrical work, ceilings and lights \$25,000, restrooms \$20,000, burglar alarms \$4,000, fire suppression \$1,000 and playgrounds and drives, \$20,000.

Parkview—carpeting \$2,000, alarms \$3,000 and fire suppression, \$1,200.

Prather Junior High—roof \$52,000, tuckpointing \$8,000, floor \$2,000, ceilings and lights \$10,000, alarms \$3,000 and fire suppression, \$1,000.

Webster School—tuckpointing \$1,000, electrical work, ceilings and lighting \$6,000, burglar alarms \$3,000 and a fire suppression system, \$1,200.

And the Pre-School Center—burglar alarms, \$2,000.

+++++

The 112 projects costing \$2,900,000 include roofing installations amounting to \$650,000 and heating and cooling projects costing \$330,000.

Replacements are: restrooms, locker room improvements \$195,000; ceiling and lighting projects, \$120,000; bleacher installation, \$100,000; tuckpointing, \$90,000; playground and driveway projects, \$88,000; window projects, \$80,000; school floors, \$75,000; burglar alarms, \$55,000; fire suppression systems, \$47,000; exterior wall projects, \$40,000; and electrical work, \$30,000.

The proposed tax ceiling change from \$3.35 to \$3.69 on each \$100 of assessed valuation is less than the 37.2-cent decrease achieved a year ago through retirement of past construction bonds and interest.

The 34-cent increase would consist of 24 cents in new taxes and 10 cents in bonds to increase the building fund's tax rate ceiling from the present 37.2 cents to 47.2 cents (still below the 75 cents permitted by the state and below the 50 cents automatically available in areas served by dual school systems).

A 34-cent rate hike on a \$30,000 home assessed at \$10,000 would cost \$34 a year, \$2.83 a month or nine cents a day.

School officials are telling voters, "The schools must be maintained and repaired. Failure to adequately deal with the building conditions would lead to even higher future costs, as well as hazards to students. District Nine children's safety and comfort must be protected in an atmosphere conducive to learning."

"Citizens here can take great pride in the fact that they have never rejected a bond issue. Their past support of needed programs clearly demonstrates that the people living in this community—along with the employees of the school system—have actively shared the responsibility for providing a sound education."

Foreign Wars have entered politics and taken a stand against the Democrats and Jimmy Carter for what he has initiated in his anti-veterans program.

As a member of the VFW's General Douglas MacArthur Post, Washington, D.C., I wholeheartedly concur with the decision of the mighty, patriotic VFW and its stand and urge all veterans to do likewise—to show their displeasure and resentment at the polls in this coming presidential election, by voting for Ronald Reagan.

Reagan is an advocate of a "strong America" in

boistering a strong defense program. He is not for cutting back on veterans' programs.

The combat veteran paid dearly for the battles and scars he encountered and no demerit should be taken away from the veterans for what they gave.

This is a game called "give and take." Carter's little pills, which apparently are not demerits, but will not cure the country's ills.

2802 Dogwood Drive

## NAACP receiving wide support

To the Editor:

I am thankful to the people in the Tri-City area for their great support to the Madison Branch NAACP affairs that we have had for the last five years that I have been president.

The people and the Press have been beautiful in supporting the oldest civil rights organization in America.

First, I would like to thank those faithful few who worked hard and had faith in me to be their president.

For some, I never was their president. But yet, thank God I love them anyway.

Our annual tea was our last big event for this year, and for me as president.

In the five years, we had some good times and bad. I know I made many people angry because of being president.

But with the help of Almighty God, I was able to stand.

I know many are rejoicing that am leaving the office of president. Maybe I didn't do what I thought I could do. But I tried to do what was right and good for the people.

I must put my hat off to our white brothers and sisters because it was they who

repaired costs have been "affordable." Every homeowner realizes that you must make repairs immediately upon the damage and need, or the building and the repair costs escalate.

Many major repairs and improvements have recently been accomplished, using monies from the sale of McKinley School and interest funds from the last building bond.

Most repairs remaining to be done are minor when looked at individually, and the renovations slated are either "cosmetic" or life-safety improvements.

The life-safety work needed has been outlined for many years, and the district should have developed a plan to accomplish these projects on a regular basis.

I believe that until the school district administrators and board members make a real effort to take care of the school building in the future, and take measures to operate more efficiently, they should not come to the taxpayers and beg for money to "tighten their belts" in order to finance the school district's inefficiency.

DOUGLAS GARGAC  
4566 Edwardsville Road

Approve funds for school repair

To the Editor:

In these times of double digit inflation, it is most difficult to accept another tax increase without the school board having a good reason to do so.

We must each vote our conscience this Saturday, Nov. 23, between 7 p.m. and 9 p.m. in our neighborhood school. But please vote, and let the board know you are concerned and watching "tighten their belts" in order to finance the school district's inefficiency.

The public holds the basic responsibility in its own hands, and not many of us want to be bothered to be concerned.

MRS. JANET B. WILSON  
Granite City

Public hearing on community grants

The Madison County Community Development Department will hold a public hearing on Monday, Nov. 24, at 7 p.m. in the Madison County Courthouse, county board room, Edwardsville, to review and accept citizen and community input to the county's performance in carrying out the Community Development Block Grant Program for the period, July 1 to Sept. 30, 1980.

Persons making comments on the performance of the program will be required to state their name and address. Comment forms will be available for anyone wishing to submit written comments.

The public is invited, a spokesman said.

## House reduction threatens chaos

To the Editor:

In the November election, Illinois voters will decide whether or not to restructure the Illinois House of Representatives. The proposal to change the Constitution would:

1. Eliminate present three-member House districts, and reduce the size of the House from 177 members to 118 members.

2. Require that each of the House members be elected from a single district.

3. Eliminate the present system of cumulative voting. The proposal is commended by its supporters as a way of making Illinois government less expensive, and as a means to reduce the power of political leaders.

Supporters of the proposed change claim it would reduce the cost of government because it would eliminate salaries and expenses for 59 House members, about \$3 million.

But they fail to explain the such a figure is not a result of much consequence when related to the \$12 billion budget for state government.

The change might save each taxpayer a few pennies at the expense of the lost representation.

If reduction of the number of House members and elimination of cumulative voting would reduce the power of party leaders, "Why," we ask, "is the Illinois Senate—where the 59 members are elected from single-member districts—less democratic in operation, much more tightly controlled by party leaders, and much more tightly bound by rules to limit debate on issues?"

In fact, we are told by supporters of the proposal that the number of House members should be reduced because too many bills are introduced each year.

But if one's aim is to have government as democratic as possible, how can one, at the same time, wish to limit the number of different points of view on issues of importance to the people?

By definition, after all, that is what an individual legislative bill is—a point of view or position on an issue or subject which is proposed to be acted upon by the legislature.

If an objective of the supporters of this constitutional change is to limit the number of different points of view or positions presented on issues or subjects considered by the state legislature, the

proposal should be rejected for this reason alone.

One who believes in democratic processes could not believe it is desirable to limit arbitrarily the points of view or positions presented in debate on issues under consideration in the legislature.

On the contrary, while the present system does tend to nurture independent thought and action by individual House members—and while it does seem to encourage the presentation of a lot of legislative bills, many on the same subjects—the system does not allow too much debate or too much consideration of differing points of view.

An important final reason why this proposition should be rejected is that it is likely to cause chaos in Illinois government long after its adoption.

This is true because, under the constitution, the legislature itself has the duty to reapportion the state after each census into districts with as nearly as possible the same number of voters.

The new General Assembly which takes office in January will undertake this task based upon the results of the 1980 census.

Even in normal times, this is difficult, since any change in district boundaries can and often does affect the political character of a district and the desires of its legislators and other people who currently hold political power in the district.

To be brief about it, those who propose change are adopted, not more than two-thirds of the representatives who participate in drawing the new district lines can hope to be elected in the new districts.

How the lines are drawn in a great many districts will determine whether the House member elected is a Democrat or Republican.

To be brief about it, those who remember previous efforts to reapportion the legislative districts cannot believe the task would be accomplished by the legislature in such conditions.

In these circumstances, the courts would quite likely draw the new district lines, a task in which no court should be involved.

Add to this the cost of such a process and one can see more clearly the farseness of the argument that the change is proposed in the name of economy.

MARGARET BLACKSHERE  
Illinois Federation of Teachers

4 years with Carter too much

To the Editor:

Dear Lord, please forgive us. We knew not what we were doing four years ago.

We elected a man named Jimmy Carter who promised all the things we thought were good for our country.

Since then he has brought us bigger government, bigger spending, bigger inflation, more regulation, higher prices, higher unemployment, dope, demoralization, hostages in Iran, Billy in Libya, Lance in court, Panama Canal giveaway, Cuba, Angola, Nicaragua, Jamaica, Afghanistan, Trilateral manipulation, inferior defense, \$65 billion deficits, \$895 billion debt, \$34 billion waste and fraud, etc.

Tell us, Lord, do we owe any loyalty to a man who would do these things to the country we love? Is there any reason why we should support such a man?

America can't stand any more of Carter, Lord. We don't have to go to the aid of a man who helped, thought, led, and lied, and a period of time to recover

from 45 years of socialism that hasn't worked.

Lord, help a Reagan administration get it started. Unfortunately many people still don't know who they want as president. I hope the following will help them make up their mind, and also hope it will help them decide what kind of nation they want.

Our country needs a leader who leads to socialism—Aristotle. "Democracy cannot escape socialism." G. B. Shaw. The end result of socialism is dictatorship—History.

For 45 years, the Democratic Party has been the party of socialism. On his voting record, Vice-President Mondale is one of the most radical socialists in the senate.

The Carter-Mondale slate guarantees more socialism. Regardless of what they say, socialism is what they do.

Anderson and Lucey were endorsed by the Liberal Party of New York, a group of neo-socialists that the Democrats. That tells you where Anderson stands

virtually every member of the House knows that he or she cannot be complacent, but must keep in close touch with voters or risk being unseated by an able candidate who is willing to work hard enough to win.

Allow one party or the other to dominate many districts in the state, leaving party with minority voters in these districts unrepresented.

Eliminate many of the most able and independent members currently serving in the House. Such people would often find it impossible to run for reelection against candidates who enjoy support from party leaders.

Supporters of the proposed change claim it would reduce the cost of government because it would eliminate salaries and expenses for 59 House members, about \$3 million.

But they fail to explain the such a figure is not a result of much consequence when related to the \$12 billion budget for state government.

The change might save each taxpayer a few pennies at the expense of the lost representation.

If reduction of the number of House members and elimination of cumulative voting would reduce the power of party leaders, "Why," we ask, "is the Illinois Senate—where the 59 members are elected from single-member districts—less democratic in operation, much more tightly controlled by party leaders, and much more tightly bound by rules to limit debate on issues?"

Beauty on Mississippi this fall

To the Editor:

Just this past Sunday, my husband and I were guests on a cruise on the Mississippi River to Cape Girardeau, Mo.

Beauty cannot be explained unless you see it, and we have it just hours away. The trees were red, yellow, green and orange. Remarks were made time and again about the colors of the trees.

We don't have to go to the mountains to see the beauty of the hills and rocks would be beautiful when covered with snow.

We have a lot to be thankful for, and the "wonderful Nature" does do some wonderful things. I can see why Mark

Twain loved the Mississippi so much.

MRS. WILLIAM O. CAUBLE  
2820 E. 24th St.

FORMER RESIDENTS VISIT IN AREA

Members of the M.A. M. Bradford of Bedford, Texas, formerly of Granite City, have returned to their home in the area.

They were the guests of Mr. and Mrs. Robert Myers of Decatur, and also visited friends and relatives in Decatur, Bloomington, Chicago and Anna, Ill.

# Kahoks break apart Warriors' hex, 3-2

By PETE HAYES  
Sports Editor  
of the Press-Record

**COLLINSVILLE** — They were two dramatic sights. But different as night and day. On one side of the field were the Granite City South Warriors. Walking quietly to their bus. On the other side, the Collinsville Kahoks, jumping, screaming celebrating.

The hex had been broken. The monkey was finally off Collinsville's backs. Behind three goals by Bobby Tajada, Collinsville downed Granite City South 3-2 here Monday night in prep soccer action. It was the first time Collinsville had beaten a South soccer team.

And according to Collinsville head coach Jim Stranz, it was a long time coming. "I don't know," he said after the victory. "I don't know how to feel. All I know is, we won. We had a real good effort from our boys. They showed a lot of character."

It was a typical South-Collinsville game. Rough from the beginning. The two powers slugged it out (almost literally a few times) in the middle of the field most of the game. Both teams had numerous scoring opportunities. Collinsville capitalized.

A total of seven yellow cards and three red cards were issued during the game. South's David Fernandez and Tony Segobiano were shown yellows and Jim Brewer received a red card. Collinsville's Matt Prsha received a yellow and a red, and teammate Matt Massa. Other yellows were given to Kahoks Gerry Modglin, Bill Lane and to head coach Stranz. "Six years of frustration and even when we get it, it's in a strange way," said Stranz. When asked about the officiating, he said, "I'm trying to..." then he stopped. "You write my impressions of the game."

South coach Gene Baker, despite the roughness of the game, was complimentary toward the Warriors. "They have material that is state championship quality. They've got superior physical attributes to any team we've seen this year." That puts Collinsville in impressive company. South has played the likes of St. Louis powers Vianney, Rosary, DuBourg and St. Mary's — only defensive Missouri state champion Rosary prior to Monday had been able to beat South.

The crowd at the game, according to Collinsville officials, was the biggest at

## Reactions: Kahoks glad South sad

**COLLINSVILLE** — Reactions to Collinsville 3-2 win Monday over Granite City South were mixed, depending on who you talked to.

Collinsville's Bobby Tajada, who scored all three goals: "All the way! All the way! After that first goal, I just felt like playing harder." Kahok Gerry Modglin: "We just beat 'em. The refs were terrible and we still beat 'em." Collinsville goalie Jim Dalla Riva: "Believe it or not, I'm not tired. Man, this is the closest we've been as a team."

Frank Dalla Riva, Jim's father and president of the Kahok Kickers Booster Club, who teaches at Granite South: "It was the kind of game I expected. It was rough on both sides. The refs didn't control the game. The calls were inconsistent. I hear a lot of stuff (at South). Some of it isn't too kind." When asked if he thought Collinsville was given more yellow and red cards than South because the Warriors are defending state champions, Dalla Riva grinned and said, "No comment."

(Continued on Page 23)

any Kahok event this school year. "They had a big crowd," said Baker. "There were almost as many here from Granite as from Collinsville. It has to help their program." It could be safe to say that Monday's game probably paid for Collinsville's soccer program this season. An unofficial estimate on the size of the crowd was around 1,400.

Kahoks came out fired up. The Warriors beat South players to the ball time after time early in the game, before the Warriors woke up and began to control the flow. With 5:28 remaining in the first quarter, South had its best scoring opportunity to that point when Fernandez hit the right post with a head ball off a throw-in from Robbie Mann. Who this time last season was playing

for Collinsville. He moved to Granite City over the past summer.

South finally broke the scoring ice with 15:40 remaining in the second quarter when Fernandez scored on a penalty kick after being brought down in the area. The goal could have broken Collinsville's back — and it did appear to take something out of the Kahoks for a while. But not for long.

Collinsville, for all intents and purposes, probably won the game late in the first half. With 33 seconds remaining, Tajada scored off a throw-in with a shot that went into the net just to the right of South goalie Joe LeMaster. Instead of being ahead 1-0 at halftime, South was tied and the Kahoks had grabbed the momentum.

"That goal hurt," said Baker. "That's the one time we especially don't like to give up a goal — right before the half."

South had a chance to tie it with 16:22 left in the third period when Mann, racing down the right side of the field, narrowly missed putting the ball past Kahok goalie Jim Dalla Riva and into the lower left side of the goal. From Mann's standpoint, he "should've" scored. Just a minute later, Tajada scored his team's second goal.

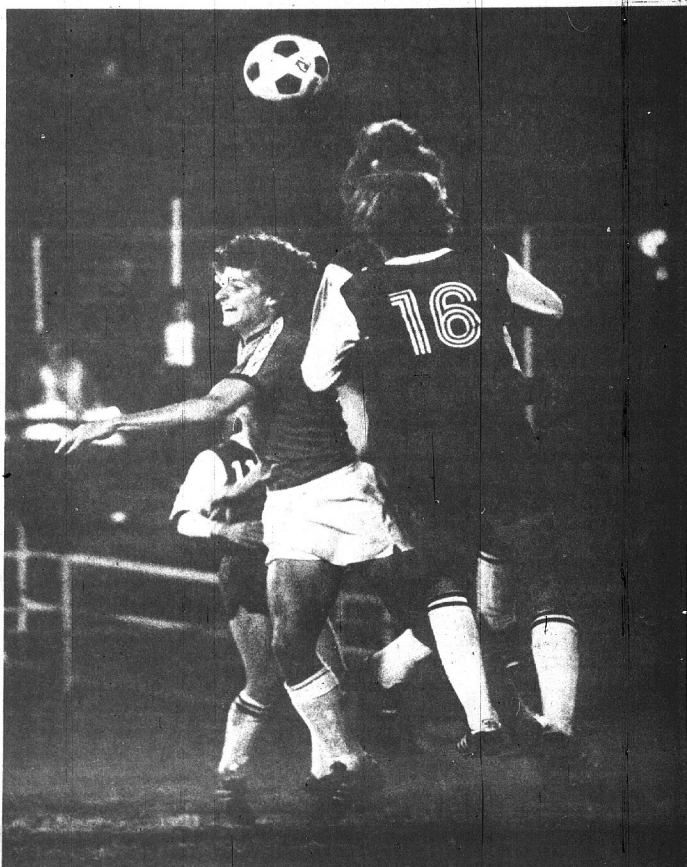

Moments after that goal, Fernandez was again frustrated. He hit the crossbar with a booming, sinking free kick from about 35 yards out that would've tied the score. It didn't. Then Tajada struck again. He scored the last Collinsville goal of the night with 6:20 remaining in the period.

"Granted, in this game, there were so many tangents," said Stranz. "You've got this (transfer) thing with Mann. He got all that ink, and it didn't come to a thing. Then there's the fact that we've never beaten them. We were playing two men short (after the red cards). It was a big emotional thing."

South came at Dalla Riva hard in the fourth quarter, but the Kahok defense was there time and again to kick the ball away. The last goal of the game came with just 40 seconds left when David Pax was awarded a penalty after being pulled down in the area.

"They wanted this game more," said Baker. "They were very aggressive. I have confidence we will bounce back... we have pride... we have a class group of young men."

The loss in the last regular season game for South gave the Warriors a 19-2-1 record.

**WELCOME 'HOME.'** Granite City South's Robbie Mann (left) and Collinsville's Matt Prsha (16) go for a head ball Monday night during the Kahoks' 3-2 victory over South in Collinsville.

Mann formerly played at Collinsville before moving to Granite City over the past summer. The loss gave South a final record of 19-2-1, while Collinsville stands at 16-3-0.

## New top team in prep poll

**GRANITE CITY** — On the heels of their 3-2 win over Granite City South Monday night in Collinsville, the CHS Kahoks edged the Warriors out of the top spot in the Press-Record poll of area prep soccer coaches this week. It's the first week since the beginning of the season that South hasn't occupied the number one spot. In every other poll, the Warriors were a unanimous pick. But Collinsville took care of that.

The Kahoks garnered three of the first place votes cast, compared to two for the Warriors, which gives Collinsville a one point edge over South heading into next week's sub-sectional action. Action which Collinsville hopes will eventually lead to its first-ever trip to the State Finals. Action which South hopes will lead it to a trip to

### Press-Record PREP SOCCER POLL (First place votes in parentheses)

	Pts.
1. Collinsville (3)	48
2. G.C. SOUTH (2)	47
3. G.C. NORTH	44
4. Quincy Senior	35
5. Edwardsville	25

### HONORABLE MENTION: O'Fallon, Belleville Althoff, Alton, Alton Marquette, Belleville East, Belleville West and Quincy Notre Dame.

the Finals and a chance to defend the state championship it won last year for the fourth straight season. But standing in the wings waiting to bump off either the Kahoks or the Warriors is Granite City North. The Steelers ended their season Monday night in Belleville with a 3-1 victory over

Althoff, giving them an 11-3-2 record on the season. Their losses have been to South (twice, by scores of 3-1 and 2-1) and to Collinsville (3-1). South's record is 19-2-1, while Collinsville is 16-3. South's other loss was to defending Missouri state champion Rosary and its tie was to Edwardsville. Collinsville's losses were to Vianney, St. Thomas Aquinas and C.B.C., all Missouri schools. Kahok fans feel this is their year.

But there are a number of hurdles for all three teams between them and the State Finals. First, North and South will most likely have to battle it out for the championship of the South Sub-Sectional, while Collinsville has Edwardsville and O'Fallon to contend with in its Sub-Sectional. Edwardsville came in fifth in this week's poll, five

points back of number four Quincy Senior, which plays at Collinsville Saturday. The Blue Devils have tied Granite North (1-1 the first game of the season) and have lost to Granite South (4-1).

Other teams in the poll that received votes were O'Fallon, Belleville Althoff, Alton, unbeaten Alton Marquette (18-0-1), Belleville East, Belleville West and Quincy Notre Dame.

South and North will each have over a week to practice before beginning Sub-Sectional action next week. North will host Madison Oct. 28 at 4 p.m. in the first round of the tournament, while South will have a first round bye and play the winner of the Alton Marquette-Wood River game in the semifinals.

## Steelers finish regular season with league victory

**BELLEVILLE** — Granite City North's soccer Steelers got a little shock here Monday night against Belleville Althoff. But once they got over it, it was smooth sailing.

North, which trounced Althoff 8-0 earlier this season, found itself trailing the Crusaders 1-0 after five minutes of play. But the Steelers regrouped and, behind a two-goal performance from Robert Szles, came back to win 3-1. "After they got over the shock that this wasn't the same team they beat earlier, they played well," said North head coach Bob Kehoe. "Althoff has come a long way this season."

The Crusaders were coming off a 2-1

loss to four-time defending state champion Granite City Saturday. "They (Althoff) were still riding high from their game against South," said Kehoe. "They're not too bad, actually."

North, which grabbed the early lead on a goal scored by Dave Maxwell. He headed the ball into the goal just above the outstretched hands of Steele goalie Rob Chapman after it hit the crossbar on a shot by Niedzwiecki.

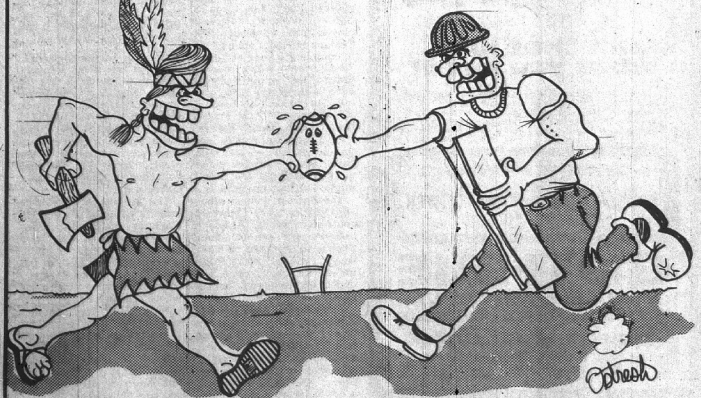

From that point on, it was all North. Szles scored his first goal from 25 yards out. He took a pass from fellow Steelers Craig Burckey and cut to his left toward the inside of the field. His shot got just beyond the Crusader goalie and just inside the left post.

Szles gave the Steelers the lead for good with his next goal. He took a pass from teammate Bennie Nolan and zipped one past the Crusader goalie into the upper right hand corner of the net.

The sub-sectionals will begin for North Tuesday (Oct. 28) at home against Madison.

The Steelers are second-seeded in the tournament, behind cross-town school Granite City South. Madison could be in real trouble against the likes of a team with as much soccer tradition as North. But Kehoe said his team will not be out to embarrass the Trojans. "I don't play the game that way," he said. "We won't embarrass them. We'll get enough goals to win."

## North needs it, South has nothing to lose

By TOM SCHOCKER  
of the Press-Record  
**GRANITE CITY** — It's that time of the year again. Emotion weekend. You guessed it — Granite City North and Granite City South will battle it out at Memorial Field Friday, with the victor laying claim to the "Granite Rock Trophy," which is being the best in the city.

Both squads must pull themselves together for this all important contest. Both have to rebound from losses last week. North is coming off a tough loss to Belleville Althoff and South has been having problems all season.

"We realize why we lost last week," said North head coach Tom Wyrostek. "We also realize the importance of this ball game. We haven't really talked about South. The kids are naturally going to be high. You can't get too

emotional, though. You have to play with your head and with confidence."

Wyrostek's coaching counterpart, Warrior head coach Stan Wojcik, has similar feelings towards the emotional aspect of the contest. "Emotions in a game like this can be good and bad," said Wojcik. "You get into the game and you get hyped up and suddenly you find yourself punching someone out. You're then slapped with a personal foul and 15 yards. I detest that. I don't like personal fouls, especially against North. All it shows is a lack of character."

North needs the game more than South does. With a win against the Warriors and one next week against Edwardsville, the Steelers will finish 4-1 in Gateway Conference play and stand a good chance at being picked for an "At-Large" position in the

IHSAA's post-season playoffs. South, meanwhile, has nothing to lose. The Warriors can be spoilers.

Tension will be at a peak. But both coaches are preparing for the game as if it was another tough game on the schedule. "We will work a lot on our pass defense this week," said Wyrostek. "We you get a team that throws 30 or more times a game like South and you break down on just one play, they'll have a touchdown."

The work against the aerial attack will give Steele quarterback Dan Patterson plenty of practice this week. "We'll have a lot of practice on our throwing," said Wyrostek. "We'll probably throw more this week than any other all season."

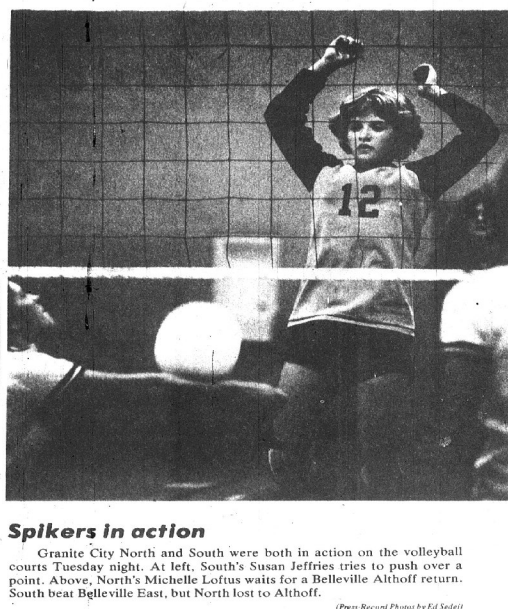

"But we're a power football team," said Wyrostek. "We run the

straight T and the triple I formations and our running game has been good for us all season. We'll just do what we do best. That's not to say we won't have to make people stop you."

Stopping that running attack is another story. Wojcik thinks the key to pulling the reins on North is all a matter of adjusting. "North runs a lot of different formations," said Wojcik. "It will just have to take time and practice for our defense to adjust. They won't bother us, if we adjust. We know DeFew was a good running back. But I was really impressed with Buer. They definitely have a good running attack. If we can stop the off-tackle hole and that dog-gone draw play they do so well, we'll be alright. If we

(Continued on Page 23)

### Spikers in action

Granite City North and South were both in action on the volleyball courts Tuesday night. At left, South's Susan Jeffries tries to push over a point. Above, North's Michelle Lortus waits for a Belleville Althoff return. South beat Belleville East, but North lost to Althoff.

(Press Record Photos by Ed Sade)

## South evens record at 5-5

By DOUG IRVIN  
for the Press-Record  
GRANITE CITY — The Warriors from Granite City South evens their record at 5-5 earlier this week with two consecutive prep volleyball victories. Monday night, the Warriors defeated Gateway East Conference rival Edwardsville 3-15, 15-5 and 15-8. And on Tuesday, the Warrior six put away Belleville East in two straight games, 15-11 and 15-4.

The South squad played Tuesday night at home and made no substitutions in the two 15 point games. Warrior coach Wilma Schultze has decided that her team needs the time on the court. "We've been running behind the other teams. If I don't substitute, maybe the team will jell."

South had a few problems getting started in the first game against the Lancers. Its defense seemed relaxed. The Warriors were on top 13-6 and did not hold the East squad to that demanding lead. East mounted a 4 point scoring drive. Actually, Chris Boyd landed a good, hard spike. Karen Spencer just tapped the ball when Belleville was anticipating a spike, and Belleville returned the ball out of bounds to give South a 4-3 lead.

Spencer and Boyd combined to block a Lancer spike which sent the serve back to South. Dillard then served for 3 points. And Belleville obtained their last point when a South spike landed to the side.

### volleyball

four more serves. DeRuntz's next serve was into the net. Jeffries attempt at serving failed. Nita Graham's serve went out of bounds. Sherrie Dillard finally put the ball in play for the Warriors and South won the first game 15-11.

"We're working a lot on our serves," said Schultze. "If we could just improve our serving and receiving, we would be a lot better."

Whatever was said during the three minute break between games did something for South's squad. Or maybe it was something not said — just understood. Anyway, South came out wanting to play volleyball. They still were hesitant.

Belleville grabbed a quick 3-0 lead. But, that was all South needed to see. Behind Graham's serving, Chris Boyd landed a good, hard spike. Karen Spencer just tapped the ball when Belleville was anticipating a spike, and Belleville returned the ball out of bounds to give South a 4-3 lead.

Spencer and Boyd combined to block a Lancer spike which sent the serve back to South. Dillard then served for 3 points. And Belleville obtained their last point when a South spike landed to the side.

Jeffries served for four points. DeRuntz showed her touch with a spike and a tap. After Belleville failed to clear the net on their serve, South's Spencer stood behind the line to serve. Four straight points came off her serve and the hands of her teammates. The game was over. The last 11 points shot by in matter of seven minutes.

"The rest of our schedule is not as tough as the first half," said Schultze. "Our five losses have been to tough teams (Belleville West twice, Belleville Althoff, East St. Louis Lincoln, and Collinsville)."

"We can't have just one superstar," said Schultze. "If we have one — we have six. It's a team sport. It is important to work together." The Warriors are taking just one season at a time. This year, they are starting and only playing five seniors and a junior. Schultze said that these girls deserve to play and won't be substituted for just to build for next season.

The schedule lists six more dual meets and two regular season tournaments. Tonight, the spikers will travel to Roxana to try to better their 5-5 record. The varsity match up is scheduled to start at 7:45.

## Steelers lose to Althoff

By TOM SCHOCKER  
of the Press-Record  
GRANITE CITY — The Granite City North girls volleyball team gave it a second shot against

Belleville Althoff here Tuesday. But the story was the same. The Steelers opened their schedule with a Gateway East Conference loss to

Althoff and they hoped to rebound from that early season defeat. But, six games later, the Crusaders had little trouble handling North. They took the match in straight sets 15-4 and 15-7.

"This was a pretty normal performance for us," said Althoff head coach Al Veile. "We did try something different tonight. We used a lot of faking. It was the first time we have done it well."

The new tactic had a definite effect on the Steelers, now 0-4. Lured by the fakes, North just couldn't handle the spikes inflicted upon them by the Crusader front line. "We are just working on basic skills," said Steeler head coach

Sharon Bloodworth. "We have a very young team. We graduate our entire starting line-up from last year and we're playing mostly with freshmen, sophomores and juniors."

The experience showed through midway into the first set. With Kathy Crotty serving, the Crusaders reeled off seven straight points and the match was well in hand. The combination of setter Jody Rule and spiker Kay Kenny was the trick that broke North.

"Rule is a very good setter when she's on the outside," said Veile. "and Kenny is our best hitter. Tonight she was very good."

North, however, found the secret in putting some points on the board. It didn't come until the second set, though. The Steelers left it up to Captain Adrienne Pumphrey to get them on track.

Although Althoff put the game away early, chalking up the first six points, Pumphrey instituted a vile comeback. "She (Pumphrey) has a lot of spirit," said Bloodworth. "She's a team leader and really picks the squad up when we need it."

The Steelers needed something. Althoff had widened its margin to 12-3 before Pumphrey set up to serve. The only senior on the team sparked North for three straight points while Freshman Lisa Lilly accounted for another.

## Record crowd expected for Bronze Boot match

ST. LOUIS — More than 14,000 advance tickets have been sold for the Oct. 30 Bronze Boot soccer match between St. Louis University and Southern Illinois University at Edwardsville, and the game's organizing group expects to set an all-time collegiate soccer attendance record.

As usual, the game will be played at Busch Memorial Stadium. The two schools enter the 7:30 p.m. game with 4-1 records in Bronze

Boot competition. A pregame musical performance by "Air Supply," set for 6:30 p.m., is expected to create a significant walk-up crowd to push the attendance mark into record numbers.

But the real impetus behind the great expectations is the fund-raising ticket distribution plan implemented upon Anheuser-Busch's takeover of the promotional element of this year's game.

As previously announced, teams, leagues, athletic organizations and other groups are eligible to participate in the sale of tickets and to make a profit for their

respective groups. For orders of 250 tickets or more, those recognized organizations pay \$1 per ticket to have the sold at the regular advance ticket price of \$2, with the \$1 profit to be used at their own discretion for the purchase of new uniforms or equipment, an awards banquet or whatever else best meets the specific needs of that group.

From all indications, this year's Bronze Boot game has a better-than-average chance of breaking the all-time collegiate soccer attendance record of 20,112, set, not surprisingly, at the 1973 Bronze Boot contest here.

## Trojans wind down season

LEBANON — When things seem to be going bad all season long, there comes a time when you could use a good shot in the arm. The Madison soccer team has had their share of problems. But, with just a week before the Sub-Sectional soccer playoffs are to begin, the Trojans received a real pick-me-up.

Traveling to Lebanon for its last regular season contest Wednesday, Madison needed a victory to prepare for Granite City North Tuesday. A win would only help the situation. If you guessed they won, you're right. In probably their best played game all season, the Trojans buried Lebanon 3-0 to complete a year at 5-1.

"All year we've moved toward the opposing goal with aggressive intent and failed to put the final touches on the drives," said Trojan head coach Gene Briggs. "But today, we finally put that last touch on. We could have easily scored three more goals, but we didn't miss our chances."

The Madison defense along with goalie Avery Crawford could do no wrong. Although Lebanon got off 14 shots, Crawford only had to save three, while the Trojan defensive crew shut the opposition out on corner kicks 9-3.

Even though Madison had just three corner kicks, it has been a place where it scored only one time. However, when things are going right, all areas of the game improve. The Trojan's second score came from the corner.

Woodson's second excellent boot found Byron Parker at the edge of the goal. In all one motion, Parker caught the ball on his chest and slid it down to his foot. From there he had little trouble sending it home late in the second stanza.

In action earlier this week, Madison lost a hard fought contest to Waterloo 3-1 at home Monday. Waterloo jumped out with two quick goals early in the game. "The scores must have come in the fourth or fifth minute of play," said Briggs. "We always have our up and down cycles. This was just a down stage."

The Trojans threatened to make a game of it when Ed Forister connected on a penalty kick in the final quarter. "We put a lot of pressure on the goal in the final period," said Briggs. "We looked very well in the whole second half."

But before Madison had time to stage a rally, Waterloo planted an insurance goal just minutes later. "A game like that helps," said Briggs. "We play that way, you can see what happens."

WILLIAM KINDER

LUTHER SMITH

DALE SCHINDEWOLF

## DeMolay Legion of Honor conferred

William F. Kinder, H. Dale Schindewolf, and Luther R. Smith were conferred with the DeMolay Legion of Honor with 12 active Legion of Honor and 8 honorary Legion of Honor designates conferred with the honorary degree by the Egyptian Preceptory Legion of Honor at the Scottish Rite Cathedral, Belleville, on Sunday afternoon, as designates from James Stuart Chapter Order of DeMolay.

H. Gene Ross, 33 degree Mason, Honorary Legion of Honor (H.L.O.H.) and Most Worshipful Senior Grand Warden of A.F. & A.M. of the State of Illinois presided as Commander in the East and C. A. "Jack" Dempsey, 33 degree, H.L.O.H. served as sixth preceptor for the investiture.

William F. Kinder, a local attorney and public defender, became a DeMolay on Oct. 5, 1954. H. Dale Schindewolf is an assistant general foreman at Granite City Steel and now resides in Edwardsville. He was initiated a DeMolay on May 18, 1954. Both men received the Red Cordons as Active Legion of Honor.

Luther R. Smith, an independent trucker formerly of Granite City and now

residing in Collinsville, received a white cordon as an Honorary Legion of Honor recipient. He is past worshipful master Granite City Masonic Lodge 877; past high priest Granite City Chapter 221, Royal Arch Masons; past three illustrious master of St. Clair Council 51 Royal and Select Masters; past commander of E. St. Louis Commandery 81 R.E.; member of Scottish Rite and Ainal Temple A.A.O.M.N.S. Red Cross of Constantine; past grand master of Royal and Select Master of the State of Illinois; grand king of Grand Chapter of Royal Arch Masons of the State of Illinois; Knights of the York Cross of Honor Degree; past prior of the State of Illinois K.Y.C.H.

William C. Chasey Sr., of Allentown, Pa., grand master of the International Supreme Council Order of DeMolay was special guest. Refreshments were served by Eastern Star members following the conferral.

Others from the local chapter who are recipients of the highest honor bestowed by the International Supreme Council Order of DeMolay are Active Legion of Honor: Wm. J. Mehl, George Slattery,

Raymond Henley, R. Gilbert Watson, Charles A. Meyer, Randall Robertson, Thomas Studebaker, David E. John, John N. Belcoff, William Buente, Gene H. Sternberg Sr., James Berry Stuart, Everett G. Steele, Ellis Hackney Jr., George Ed Eubanks, Marlyn Kruescheck, Roy Wilimzig, Roland F. Kennedy, Charles W. Voss, C. A. "Bud" McMillan, Howard Robertson, Jon Tarpoff, William L. Harris, Irvin C. Slate, Gilbert "Jack" W. Kulenkamp, Robert C. Ebrecht, Robert F. Holton, George S. Holtzschner, Robert F. Maxwell, Melvin O. McKay, Edward W. Lane, Dr. George T. Wilkins and Honorary Legion of Honor, C. E. Townsend, Fred Riddle, Claude Echols, Charles C. Chapman, E. Gene Ross, C. A. "Jack" Dempsey, Donald G. Adams, Avery Schermer, Martin D. Love, Harry G. Sharp, Richard H. Ervay, and John L. Wood.

The Active Legion of Honor may be conferred upon a senior DeMolay for outstanding leadership in some field of endeavor. The Honorary Legion of Honor may be conferred upon a Master Mason who has performed unusual or meritorious service in behalf of DeMolay or who has evidenced a spirit of cooperation and appreciation for the Order of DeMolay.

## Health immunizations are up-to-date in GC schools

By BILL WINTER  
of the Press-Record

Granite City School Board members were in a buoyant mood Tuesday night. All signs look favorable for their Oct. 25 bond election, they have achieved 86.6 percent immunization of students, and they have been able to obtain substantial savings on rooftop coolers' maintenance and insurance costs.

Speeding through a long and thick agenda in less than 40 minutes, board members commended Vasil Eftimoff, administrative assistant for pupil personnel services, for his verbal report on the status of physical examinations and immunizations.

The state government has linked continued school financial aid to achieving an 80 percent immunization rate for the 1980-81 school year, and Granite City schools have exceeded that level. "We should reach 100 percent by Thanksgiving," Eftimoff predicted while complimenting staff members for their efforts.

Twenty-five students were excluded from classes as of Oct. 15 in conforming to state-set rules. They will be accepted back in school as they meet the examination and immunization requirements.

Included in the 25 are eight who lack physical exams—three at Grigsby, two at Nameoki and one each at South, Prather and Wilson. Seventeen students were excluded for failure to have complete immunization verifications—four each at Emerson and Marshall, three each at North and Grigsby, two at Prather and Grigsby, two at Johnson, 455 at Logan, 462 at Johnson, 455 at Nameoki, 420 at Wilson, 404 at Lake, 390 at Niedringhaus, 389 at Maryville, 382 at Frohardt, 371 at Mitchell, 364 at Marshall, 361 at Webster, 329 at Parkview, 296 at Emerson

and 119 at the PreSchool Center. Eftimoff said the nursing staff initially concentrated on first grade and kindergarten pupils, fifth graders and ninth graders, achieving total compliance among those groups.

Next, records were reviewed for students in the other grades and 1,400 letters were sent to parents asking that certification be obtained—showing that the students have been checked by doctors and have received necessary health immunizations. All but the 25 have now responded.

In other business, it was noted that at the Sept. 9 board meeting, bids indicated that the service contracts for roof air-conditioners would cost \$16,700 at North High and \$12,200 at Johnson School. Further study was made at the suggestion of David Partney and other board members, and now it is expected that the costs will be much lower.

The board on Tuesday night awarded a contract to J. A. Rankin and Associates, based on time and material costs in working on rooftop units at North and Johnson and the air-conditioning unit for the South High auditorium.

Submitting the low bid on the 75-ton auditorium cooler, 26 units at North and nine air-conditioners at Johnson, Rankin bid \$26.50 per hour and a 25 percent profit on parts used.

The work will be done in conjunction with an insurance policy the district has with the Hartford Company, Ronald Landman, school maintenance supervisor, said.

James Henderson of the Lueders Insurance Agency advised the school district. "For this current policy year, we were able to extend the insurance coverage to include the air-conditioning units."

The coverage was extended at no additional premium because of your comprehensive maintenance program with these units. Coverage was written

with the following deductibles: 0 to 25 horsepower, deductible of \$250; 25 to 50 hp, \$500; 50 to 100 hp, \$1,000; 100 to 300 hp, \$2,500; and 300 hp and over, \$5,000 deductible.

"In order to continue this insurance, there must be a preventive maintenance program," Henderson noted. Landman told the board, "This extended insurance coverage became effective June 26, the date the policy was renewed. We had a full service contract with Rankin until Sept. 1, covering all parts and labor at North, and we have had no problems since then at the schools where this insurance was in effect."

"With the school district awarding a service contract, many major repairs are covered under this policy, such as power failure, single phase, bearings and such, subject to the deductibles. This policy does not cover general maintenance of the units."

"Using the insurance policy to cover major repair items that could be considered accidents, the time and material contract, the district should save money compared to the original quotes in September."

"The quote sent to all vendors covered the three schools named and the 20-ton chilled water air-conditioner at Grigsby Junior High School. Rankin did not bid on the equipment at Grigsby. We have been using York service people, and will continue to use the factory-trained personnel on this equipment at Grigsby, on an as-needed basis."

### MATERIALS STOLEN

Forty-two sheets of building material siding, each four by eight feet, valued at a total of \$1,260 were stolen from a Richard Bland Construction Co. job site at Route 3 and Rock Road, it was reported at 9:40 a.m. Tuesday. Police plan to question a suspect in the case.

**Memoriams 32**  
**IN LOVING memory** of JERRY J. MILLER who passed away Oct. 23, 1974. The world may change from year to year and friends from day to day, but never will the one loved by the world pass away. Sadly missed by Son Jeffery, Nancy Family, Harold and All Who Loved Him. 32 10 23

**IN LOVING memory** of JERRY D. MILLER who passed away on Oct. 25, 1974. The flowers we place on your grave, may wither and decay, but love for you who sleeps beneath will never fade away. Sadly missed by Wife, Charlotte and Son, Rudy. 32 10 23

**IN MEMORY of CHARLES (COTTON) RUEHLER,** died Oct. 23, 1977. We did not know that evening that he would call your name. In life we loved you dearly, in death we do the same. We cannot bring the old days back when we were all together. But loving thoughts and memories, will live with us forever. Sadly missed by Daughter, Mother, Sister and Brother. 32 10 23

**IN MEMORY of GERALD FARRIS** on his birthday, Oct. 23, who passed away Dec. 14, 1979. Today is his birthday and it is hard because he isn't here. We always made it a special day because he was so dear. We think of him always with our hearts full of love, we pray to God this day to say Happy Birthday to you. Oh God, how we miss him and wish he were here. Sadly missed and loved by Harold and Lucille. 32 10 23

**Public Notices 33**

**ADVERTISEMENT FOR BIDS**  
Time and Place of Opening Bids. Separate sealed BIDS for Collinsville Sewerage and Sanitation, City of East St. Louis, Illinois, will be received by the City of East St. Louis, Illinois, at 9:00 a.m. and then at said office publicly opened and read aloud.

## NOTICE FOR PUBLICATION

TO: BENNY F. TURNER

FATHER OF BENNY F. TURNER, JR., A MINOR

80-441 and to All Whom It May Concern:

Take notice that on the 16th day of October, 1980 a petition was filed under the Juvenile Court Act by Assistant State Attorney Randy G. Massey in the Circuit Court of Madison County entitled "In the interest of BENNY F. TURNER, JR. a minor," and that in circuit courtroom at Edwardsville on the 14th day of November at the hour of 11:00 a.m., or as soon thereafter as this cause may be heard, an adjudicatory hearing will be held upon the petition to have the child declared to be a ward of the court under that act. The court has authority in this proceeding to take from the custody and guardianship of the minor, and to appoint a guardian with power to consent to adoption of the minor.

Now, unless you appear at the hearing and show cause against the petition, the petition may be taken for confessed as against you and each of you, and an order, judgment or decree entered.

WILLARD V. PORTELL, Clerk

Dated September 17, 1980.

## PUBLIC HEARING

WATER QUALITY MANAGEMENT PLAN UPDATE

Public notice is hereby given to all interested persons in the Illinois Counties of Madison, Monroe and St. Clair that the 208 Areawide Management Coordinating Board will hold a public hearing on Thursday, December 11, 1980 at 2:00 p.m. at the Southwestern Illinois Metropolitan and Regional Planning Commission, 203 West Main Street, Collinsville, Illinois.

The purpose of said public hearing (pursuant to Federal regulation 40 CFR, Part 25.5) is to review proposed revisions to the 208 Water Quality Management Plan for designated Illinois Counties of Madison, Monroe and St. Clair—as prepared by the Southwestern Illinois Metropolitan and Regional Planning Commission under the direction of the 208 Areawide Management Coordinating Board.

The Water Quality Management Plan was approved on December 20, 1979. Federal regulations require that the Plan be revised and updated annually on the anniversary date of approval in order to reflect changed circumstances, additional studies and progress in plan implementation.

Copies of the Plan Update will be available after November 4, 1980 for examination at the Southwestern Illinois Metropolitan and Regional Planning Commission during regular business hours—8:00 a.m. to 5:00 p.m., Monday through Friday.

All interested persons are invited to attend said public hearing and to state their opinions regarding the proposed plan revisions.

Those wishing to state their opinions, but unable to attend the hearing, may submit their comments in writing, prior to 5:00 p.m., December 12, 1980, to the 208 Areawide Management Coordinating Board, 203 West Main, Collinsville, Illinois 62234. Attention: 208-Program Manager.
